## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act

In accordance with Departmental policy and 28 CFR 50.7, the Department of Justice gives notice that a proposed consent decree with Appleton Papers Inc. and NCR Corporation in the case captioned *United States and the State of Wisconsin v. Appleton Papers Inc. and NCR Corporation*, Civil Action No. 01-C-0816 (E.D. Wis.) was lodged with the United States District Court for the Eastern District of Wisconsin on August 14, 2001. The complaint filed in the case by the United States and the State of Wisconsin (the "Plaintiffs") alleges that Appleton Papers Inc. and NCR Corporation (the "Defendants") are parties liable for response costs and injunctive relief associated with the release and threatened release of hazardous substances from facilities at or near the Fox River/Green Bay Site in northeastern Wisconsin (the "Site"), pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9601 *et seq.*

The proposed consent decree sets forth the terms of a proposed interim settlement between the Plaintiffs and the Defendants. Under the interim settlement, the Defendants would agree to pay up to \$10 million each year for four years (\$40 million in total) to fund cleanup-related response action projects and natural resource damage restoration projects to be selected by the responsible governmental agencies. The U.S. Environmental Protection Agency and the Wisconsin Department of Natural Resources would jointly select the cleanup projects and the Federal, State, and Tribal natural resources trustees would jointly select the restoration projects. The funding for cleanup projects would allow an early start on some facets of the cleanup at the Site. The restoration projects would be designed to restore or protect natural resources at the Site, or natural resources equivalent to those injured at the Site. In addition to the \$40 million to be paid for cleanup and restoration projects, the Defendants would pay \$1.5

million toward natural resource damage assessment costs incurred by the U.S. Department of the Interior.

For a period of thirty (30) days from the date of this publication, the Department of Justice will receive comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, United States Department of Justice, P.O. Box 7611, Washington, DC 20044-7611, and should refer to *United States and the State of Wisconsin v. Appleton Papers Inc. and NCR Corporation*, Civil Action No. 01-C-0816 (E.D. Wis.), and DOJ Reference Numbers 90-11-2-1045 and 90-11-2-1045Z.
