

1. A demonstration of reasonable further progress (RFP),
2. A demonstration of attainment, or
3. A maintenance plan.

For the purposes of a general conformity determination, direct and indirect emissions are defined as follows (40 CFR 93.152):

- **Direct Emissions:** Those emissions of a criteria pollutant or its precursors that are caused or initiated by the Federal action and occur at the same time and place as the action;
- **Indirect Emissions:** Those emissions of a criteria pollutant or its precursors that—

1. Are caused by the Federal action, but may occur later in time and/or may be further removed in distance from the action itself but are still reasonably foreseeable; and

2. The Federal agency can practicably control and will maintain control over due to a continuing program responsibility of the Federal agency.

LMDC has determined that the predicted emissions due to the Proposed Action during construction that should be subject to its general conformity review would include direct emissions from (1) Non-road engines operating on-site during construction and (2) marine vessels carrying materials to and from the site and conducting other work along the waterfront, and (3) emissions from construction-related vehicles traveling to and from the site.

D. Presumption of Conformity

The Proposed Action would be located in an area previously designated as a severe ozone non-attainment area under the 1-hour ozone NAAQS. The NO_x emissions during two years of construction were predicted to potentially exceed the prescribed level for severe ozone non-attainment areas (25 tons per year). Therefore, LMDC has determined the following:

- The methods for estimating direct and indirect emissions from the Proposed Action meet the requirements of 40 CFR 93.159.
- The Proposed Action was predicted to result in the emission of up to 70.5 tons and 31.2 tons of NO_x per year in 2008 and 2009, respectively.
- All construction-related NO_x emissions, including those from the Proposed Action, are included in the emissions budget specified in the New York State Implementation Plan for Ozone—Phase II Alternative Attainment Demonstration.
- The Proposed Action does not cause or contribute to any new violation, or increase the frequency or severity of any existing violation, of the

standards for the pollutants addressed in 40 CFR 93.158.

- The Proposed Action does not violate any requirements or milestones in the ozone SIP.
- Based on these determinations, the Proposed Action is presumed to conform to the ozone SIP for the project area. The activities that are presumed to conform include all construction-related activities that will receive federal funding for the East River Waterfront Esplanade and Piers Project.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5125-N-30]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Kathy Ezzell, Room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also

published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to John Hicks, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this

Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Army*: Ms. Veronica Rines, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Attn: DAİM-ZS, Rm 8536, 2511 Jefferson Davis Hwy., Arlington, VA 22202; (703) 601-2545; *Coast Guard*: Commandant, U.S. Coast Guard, Attn: Teresa Sheinberg, 2100 Second St, SW., Rm 6109, Washington, DC 20593-0001; (202) 267-6142; *Energy*: Mr. John Watson, Department of Energy, Office of Engineering & Construction Management, ME-90, 1000 Independence Ave, SW., Washington, DC 20585; (202) 586-0072; *GSA*: Mr. John E.B.
