BILLING CODE 6715-01-P

FEDERAL HOUSING FINANCE AGENCY

[No. 2021-N-1]

Notice of Annual Adjustment of the Cap on Average Total Assets That Defines Community Financial Institutions

AGENCY: Federal Housing Finance Agency.

ACTION: Notice.

SUMMARY: The Federal Housing Finance Agency (FHFA) has adjusted the cap on average total assets that is used in determining whether a Federal Home Loan Bank (Bank) member qualifies as a “community financial institution” (CFI) to \$1,239,000,000, based on the annual percentage increase in the Consumer Price Index for all urban consumers (CPI-U), as published by the Department of Labor (DOL). These changes took effect on January 1, 2021.

FOR FURTHER INFORMATION CONTACT: James Hedrick, Division of Federal Home Loan Bank Regulation, (202) 649-3319, James.Hedrick@fhfa.gov; or R. Winston Sale, Assistant General Counsel, (202) 649-3081, Winston.Sale@fhfa.gov, (not toll-free numbers), Federal Housing Finance Agency, Constitution Center, 400 Seventh Street SW, Washington, DC 20219.

SUPPLEMENTARY INFORMATION:

I. Statutory and Regulatory Background

The Federal Home Loan Bank Act (Bank Act) confers upon insured depository institutions that meet the statutory definition of a CFI certain advantages over non-CFI insured depository institutions in qualifying for Bank membership, and in the purposes for which they may receive long-term advances and the collateral they may pledge to secure advances.¹ Section 2(10)(A) of the Bank Act and § 1263.1 of FHFA’s regulations define a CFI as any Bank member the deposits of which are insured by the Federal Deposit Insurance Corporation and that has average total assets below the statutory cap.² The Bank Act was amended in 2008 to set the statutory cap at \$1

billion and to require FHFA to adjust the cap annually to reflect the percentage increase in the CPI-U, as published by the DOL.³ For 2020, FHFA set the CFI asset cap at \$1,224,000,000, which reflected a 2.1 percent increase over 2019, based upon the increase in the CPI-U between 2019 and 2020.⁴

II. The CFI Asset Cap for 2021

As of January 1, 2021, FHFA has increased the CFI asset cap to \$1,239,000,000, which reflects a 1.2 percent increase in the unadjusted CPI-U from November 2019 to November 2020. Consistent with the practice of other Federal agencies, FHFA bases the annual adjustment to the CFI asset cap on the percentage increase in the CPI-U from November of the year prior to the preceding calendar year to November of the preceding calendar year, because the November figures represent the most recent available data as of January 1st of the current calendar year. The new CFI asset cap was obtained by applying the percentage increase in the CPI-U to the unrounded amount for the preceding year and rounding to the nearest million, as has been FHFA’s practice for all previous adjustments.

In calculating the CFI asset cap, FHFA uses CPI-U data that have not been seasonally adjusted (*i.e.*, the data have not been adjusted to remove the estimated effect of price changes that normally occur at the same time and in about the same magnitude every year). The DOL encourages use of unadjusted CPI-U data in applying “escalation” provisions such as that governing the CFI asset cap, because the factors that are used to seasonally adjust the data are amended annually, and seasonally adjusted data that are published earlier are subject to revision for up to five years following their original release. Unadjusted data are not routinely subject to revision, and previously published unadjusted data are only corrected when significant calculation errors are discovered.

Andre D. Galeano,

Deputy Director, Division of Federal Home Loan Bank Regulation, Federal Housing Finance Agency.

9000–0001, Standard Form 28, Affidavit of Individual Surety.

B. Needs and Uses

This clearance covers the information that offerors or contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirement:

- *Standard Form (SF) 28, Affidavit of Individual Surety.* This form is used by all executive agencies, including the Department of Defense (DoD), to obtain information from individuals wishing to serve as sureties to Government bonds. Offerors and contractors may use an individual surety as security for bonds required under a solicitation or contract

for supplies or services (including construction). It is an elective decision on the part of the offeror or contractor to use individual sureties instead of other available sources of surety or sureties for Government bonds.

The contracting officer uses the information on the SF 28 to determine the acceptability of individuals proposed as sureties.

C. Annual Burden

Respondents: 10.

Total Annual Responses: 20.

Total Burden Hours: 6.

D. Public Comment

A 60-day notice was published in the **Federal Register** at 85 FR 70151, on November 4, 2020. One comment was received; however, it did not change the estimate of the burden.

Comment: The commenter requested the FAR Council implement FAR Case 2017–003, Individual Sureties, and, once implemented, create the necessary reporting requirements that will mitigate, if not eliminate, instances where individual surety bonds are accepted with worthless assets or with assets that are beyond the control of contracting officials. Accordingly, the commenter finds the renewal/revision of the information collection premature because it is uncertain what types of information should be solicited on the SF 28.

Response: The renewal of the information collection is required to ensure compliance with the Paperwork Reduction Act as the current approval for OMB Control number 9000–0001 expires on February 28, 2021. As stated in section VII. of the final rule preamble for FAR Case 2017–003 (86 FR 3682), changes to the SF 28 are needed to update the language in the form to be consistent with the changes to the FAR text. The modification of the SF 28 does not impose additional information collection requirements.

Obtaining Copies: Requesters may obtain a copy of the information collection documents from the GSA Regulatory Secretariat Division, by calling 202–501–4755 or emailing GSARegSec@gsa.gov. Please cite OMB Control No. 9000–0001, Standard Form 28, Affidavit of Individual Surety.

Director, Office of Government-wide Acquisition Policy, Office of Acquisition Policy, Office of Government-wide Policy.
