

SUPPLEMENTARY INFORMATION:

Title of Collection: Generic Information Collection Plan for Information on Compliance Costs and Other Effects of Regulations.

OMB Control Number: 3170-0032.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Private sector: businesses and other for-profit entities.

Estimated Number of Respondents: 75,000.

Estimated Total Annual Burden Hours: 77,994.

Abstract: The Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) requires or authorizes the Bureau to implement new consumer protections in the offering or provision of certain consumer financial products and services. This information collection is required in order to effectively incorporate information from providers concerning compliance costs and other effects of regulations as part of the information base for potential rulemakings and prospective and retrospective regulatory burden analyses.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB's approval. All comments will become a matter of public record.

Anthony May,

Paperwork Reduction Act Officer, Consumer Financial Protection Bureau.
