Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: NOAA Awareness Study.

OMB Approval Number: None.

Form Number(s): None.

Type of Request: Regular submission.

Burden Hours: 1,192.

Number of Respondents: 3,096.

Average Hours Per Response: Focus groups, 2 hours; web-based surveys, 20 minutes.

Needs and Uses: Through the recently signed America COMPETES Act ("America Creating Opportunities to Meaningfully Promote Excellence in Technology, Education, and Science Act"), NOAA is charged with developing and promoting education and outreach activities at all levels for the purpose of heightening the public's current understanding of issues related to atmospheric science, the Earth's environment, and protecting life and property.

NOAA proposes to collect information to assess the general public's understanding and awareness of NOAA programs and services, especially as it relates to the collection and dissemination of scientific, operational, and climate data. The immediate collection of information would allow NOAA to implement a tailored approach to programmatic priorities for outreach and communications as effectively as possible. This would improve service for NOAA users and provide the public with warnings and forecasts that save lives and property and better disseminate products/services to aid in emergency preparedness.

To conduct this evaluation, NOAA has contracted with Harmonics International to conduct 3,000 online surveys and 96 two-hour interviews in a three phase research project among the following target audiences: The American public, key NOAA

stakeholders, and other organizations with similar missions. These statistically valid research methodologies will provide NOAA with a complete and accurate assessment of current awareness, perceptions, emotions, and attitudes pertaining to NOAA, its programs, services, and operational data dissemination methods.

Affected Public: Individuals or households.

Frequency: One-time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, Fax number (202) 395-7285, or David_Rostker@omb.eop.gov.

I. Abstract

The Foreign-Trade Zone Annual Report is the vehicle by which Foreign-Trade Zone grantees report annually to the Foreign-Trade Zones Board, pursuant to the requirements of the Foreign Trade Zones Act (19 U.S.C. 81a-81u). The annual reports submitted by grantees are the only complete source of compiled information on FTZ's. The data and information contained in the reports relates to international trade activity in FTZ's. The reports are used by the Congress and the Department to determine the economic effect of the FTZ program. The reports are also used by the FTZ Board and other trade policy officials to determine whether zone activity is consistent with U.S. international trade policy, and whether it is in the public interest. The public uses the information regarding activities carried on in FTZ's to evaluate their effect on industry sectors. The information contained in annual reports also helps zone grantees in their marketing efforts.

II. Method of Collection

The Foreign-Trade Zone Annual Report is collected from zone grantees in paper format. The Foreign-Trade Zones Board is in the process of evaluating possible optional Web-based alternatives to the paper collection method.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Postponement of Preliminary Determination of Antidumping Duty Investigation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 26, 2007.

FOR FURTHER INFORMATION CONTACT: Contact Laurel LaCivita at (202) 482-4243 or Charles Riggle at (202) 482-0650, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2007, the Department of Commerce ("Department") published the initiation of the antidumping duty investigation of certain new pneumatic off-the-road tires from the People's Republic of China ("PRC"). See *Initiation of Antidumping Duty Investigation: Certain New Pneumatic Off-the-Road Tires From the People's Republic of China*, 72 FR 43591 (August 6, 2007) ("Notice of Initiation"). The notice of initiation stated that we would

make our preliminary determination for this antidumping duty investigation no later than 140 days after the date of issuance of the initiation. Currently, the preliminary determination is due December 17, 2007.

Postponement of Preliminary Determination

On November 15, 2007, the Titan Tire Corporation, a subsidiary of Titan International, Inc. ("Titan"), and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO-CLC ("USW") (collectively, "Petitioners"), made a timely request pursuant to 19 CFR 351.205(e) for a 50-day postponement of the preliminary determination. Petitioners requested postponement of the preliminary determination because it will provide the Department additional time to evaluate the questionnaire responses. Petitioners argue that issues have emerged concerning potential PRC government involvement in the export and other commercial activities of certain of certain respondents. Finally, Petitioners argue that if the Department issues supplemental questionnaires to the mandatory respondents and the separate-rates companies, those responses would be due in December, which would not provide the Department or the parties sufficient time for analysis and comment, or permit the Department to issue further supplemental questionnaires prior to the currently scheduled December 17, 2007, preliminary determination.

Under section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act"), if Petitioners make a timely request for a postponement of the preliminary determination, the Department may postpone the preliminary determination under subsection (b)(1) until no later than the 190th day after the initiation of the investigation.

Therefore, for reasons identified by Petitioners, we are postponing the preliminary determination under section 733(c)(1)(A) of the Act by 50 days to February 5, 2008. Pursuant to 735(a) of the Act, the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, or if extended, up to 135 days after the date of publication of the preliminary determination in the **Federal Register**.

This notice is issued and published pursuant to sections 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 29, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.
