

set forth in sections 203(c) and (d), and section 204(b)(6)(B) of the ATPA, as amended (19 U.S.C. 3202(c), (d); 19 U.S.C. 3203(b)(6)(B)), and as outlined in the **Federal Register** notice USTR published to request public comments regarding the designation of eligible countries as ATPDEA beneficiary countries (67 FR 53379). Under section 203(e) of the ATPA, as amended (19 U.S.C. 3202(e)), the President may withdraw or suspend the designation of any country as an ATPA or ATPDEA beneficiary country, and may also withdraw, suspend, or limit preferential treatment for any product of any such beneficiary country, if the President determines that, as a result of changed circumstances, the country is not meeting the eligibility criteria.

The ATPA regulations provide the schedule of dates for conducting an annual review, unless otherwise specified by **Federal Register** notice. Notice is hereby given that, in order to be considered in the 2005 Annual ATPA Review, all petitions to withdraw or suspend the designation of a country as an ATPA or ATPDEA beneficiary country, or to withdraw, suspend, or limit application of preferential treatment to any article of any ATPA beneficiary country under the ATPA, or to any article of any ATPDEA beneficiary country under section 204(b)(1), (3), or (4) (19 U.S.C. 3202(b)(1), (3), (4)) of the ATPA, must be received by the Andean Subcommittee of the Trade Policy Staff Committee no later than 5 p.m. EDT on September 19, 2005. Petitioners should consult 15 CFR 2016.0 regarding the content of such petitions.

E-mail submissions should be single copy transmissions in English, and the total submission including attachments should not exceed 50 pages. Submissions should use the following subject line: "2005 Annual ATPA Review—Petition." Documents must be submitted as either WordPerfect ("*.WPD"), MSWord ("*.DOC"), or text ("*.TXT") file. Documents should not be submitted as electronic image files or contain imbedded images (for example, "*.JPG", "*.PDF", "*.BMP", or "*.GIF"), as these type of files are generally excessively large. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel, pre-formatted for printing on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Petitions will be available for public inspection by appointment with the staff of the USTR Public Reading Room,

except for information granted "business confidential" status pursuant to 15 CFR 2003.6. If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" in large, bold letters at the top and bottom of every page of the document. The public version that does not contain business confidential information must be clearly marked either "PUBLIC VERSION" or "NON-CONFIDENTIAL" in large, bold letters at the top and bottom of every page. The file name of any document containing business confidential information attached to an e-mail transmission should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the person or party submitting the petition. Submissions by e-mail should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the submission. The e-mail address for submissions is FR0523@ustr.eop.gov. Public versions of all documents relating to this review will be available for review shortly after the due date by appointment in the USTR Public Reading Room, 1724 F Street NW., Washington, DC. Availability of documents may be ascertained, and appointments may be made from 9:30 a.m. to noon and 1 p.m. to 4 p.m., Monday through Friday, by calling (202) 395-6186.

SUPPLEMENTARY INFORMATION: The GSP provides for the duty-free importation of designated articles when imported from designated beneficiary developing countries. The GSP is authorized by title V of the Trade Act of 1974 (19 U.S.C. 2461, *et seq.*), as amended (the "1974 Act"), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

In a **Federal Register** notice dated May 9, 2005, USTR announced the deadline for the filing of product and country practice petitions for the 2005 GSP Annual Review to be June 15, 2005 (70 FR 24460). The product petitions received requested changes in the list of eligible products by adding or by waiving the "competitive need limitations" (CNLs) for a country for an eligible article.

The interagency GSP Subcommittee of the Trade Policy Staff Committee (TPSC) has reviewed the product petitions, and the TPSC has decided to initiate a full review of the product petitions listed in Annex I. Annex I to this notice sets forth, for each type of change requested: the case number, the Harmonized Tariff Schedule of the United States (HTS) subheading number, a brief description of the product (see the HTS for an authoritative description available on the U.S. International Trade Commission (USITC) Web site (<http://www.usitc.gov/taffairs>)), and the petitioner for each petition included in this review. Acceptance of a petition for review does not indicate any opinion with respect to the disposition on the merits of the petition. Acceptance indicates only that the listed petitions have been found eligible for review by the TPSC and that such review will take place.

Opportunities for Public Comment and Inspection of Comments

The GSP Subcommittee of the TPSC invites comments in support of or in opposition to any petition which is included in this Annual Review (Annex I). Submissions should comply with 15 CFR part 2007, except as modified below. All submissions should identify the subject article(s) in terms of the case number and HTS subheading number as shown in Annex I.

Requirements for Submissions

In order to facilitate prompt processing of submissions, USTR strongly urges and prefers electronic e-mail submissions in response to this notice. Hand-delivered submissions will not be accepted. These submissions

should be single-copy transmissions in English with the total submission not to exceed 50 single-spaced standard letter-size pages. E-mail submissions should use the following subject line: "2005 GSP Annual Review" followed by the Case Number and HTS subheading number found in the Annex I (for example, 2005-07 9102.19.40) and, as appropriate "Written Comments", "Notice of Intent to Testify", "Pre-hearing brief", "Post-hearing brief" or "Comments on USITC Advice". (For example, an e-mail subject line might read "2005-07 9102.19.40 Written Comments".) Documents must be submitted in English in one of the following formats: WordPerfect (.WPD), MSWord (.DOC), or text (.TXT) files. Documents may not be submitted as electronic image files or contain imbedded images (for example, ".JPG", ".TIF", ".PDF", ".BMP", or ".GIF"). Supporting documentation submitted as spreadsheets are acceptable as Excel files, formatted for printing on 8½ x 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" at the top and bottom of each page of the document. The non-confidential version must also be clearly marked at the top and bottom of each page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the party (government, company, union, association, etc.) which is making the submission.

E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including the sender's e-mail address and other

identifying information. The e-mail address for these submissions is FR0441@USTR.GOV. Documents not submitted in accordance with these instructions might not be considered in this review. If unable to provide submissions by e-mail, please contact the GSP Subcommittee to arrange for an alternative method of transmission.

Public versions of all documents relating to this review will be available for review approximately two weeks after the relevant due date by appointment in the USTR public reading room, 1724 F Street, NW., Washington, DC. In accordance with sections 503(a)(1)(A) and 503(e) of the 1974 Act and the authority delegated by the President, pursuant to section 332(g) of the Tariff Act of 1930, the U.S. Trade Representative has requested that the USITC provide its advice on the

probable economic effect of the following actions on U.S. industries producing like or directly competitive articles and on consumers, as appropriate: (1) The elimination of U.S. import duties for all beneficiary developing countries; (2) the restoration of a country for eligibility for duty-free treatment under the GSP for such article; (3) whether any industry in the United States is likely to be adversely affected by a waiver of the competitive need limits specified in section

503(d)(1) of the 1974 Act for the country specified; and (4) whether designation of certain watches will cause material injury to certain manufacturing and assembly operations in the United States or U.S. insular possessions.
