Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on Tuesday, September 15, 2015. The hearing and business meeting are open to the public and will be held at the Chase Center on the Riverfront, Dravo

Auditorium, 815 Justison Street, Wilmington, Delaware.

Public Hearing. The public hearing on September 15, 2015 will begin at 1:30 p.m. Hearing items will include: Draft dockets for the withdrawals, discharges and other water-related projects subject to the Commission's review; and a resolution adopting amendments to the *Administrative Manual—By-Laws, Management and Personnel* regarding electronic communications.

The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's Web site, www.drbc.net, in a long form of this notice at least ten days before the hearing date. Draft resolutions scheduled for hearing also will be posted at www.drbc.net ten or more days prior to the hearing.

Written comments on draft dockets and the resolution scheduled for hearing on September 15 will be accepted through the close of the hearing that day. After the hearing on all scheduled matters has been completed, and as time allows, an opportunity for open public comment, formerly referred to as "public dialogue," will also be provided.

The public is advised to check the Commission's Web site periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is deemed necessary to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that project details commonly change in the course of the Commission's review, which is ongoing.

There will be no opportunity for additional public comment at the September 16 business meeting on items for which a hearing was completed on September 15 or a previous date. Commission consideration on September 16 of items for which the public hearing is closed may result in either approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the

Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date. Items heard during the June 9, 2015 Public Hearing on which the Commission has not yet acted include a proposed rule amending DRBC's *Administrative Manual Part III—Rules of Practice and Procedure* to provide for the One Process/One Permit Program.
