AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce ("the Department") is rescinding the administrative review of the antidumping duty order on steel wire garment hangers from the Socialist Republic of Vietnam ("Vietnam") for the period August 2, 2012, through January 31, 2014.

DATES: *Effective:* May 8, 2014.

FOR FURTHER INFORMATION CONTACT:

Catherine Bertrand, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3207.

SUPPLEMENTARY INFORMATION:

Background

On February 28, 2014, based on a timely request for review by M&B Metal Products Company, Inc.; Innovative Fabrication LLC/Indy Hanger; and US Hanger Company, LLC (collectively,

"Petitioners"),¹ the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on steel wire garment hangers from Vietnam covering the period August 2, 2012, through January 31, 2014.² The review covers 49 companies.³ On April 15, 2014, Petitioners withdrew their request for an administrative review on all of the 49 companies listed in the *Initiation Notice*.⁴ No other party requested a review of these companies or any other exporters of subject merchandise.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Petitioners timely withdrew their request by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. As a result, pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of steel wire garment hangers from Vietnam for the period August 2, 2012, through January 31, 2014, in its entirety.⁵

Assessment

The Department will instruct CBP to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to refer the information contained in this submission to CBP.

intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**, if appropriate.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

On July 15, 2011, pursuant to a decision of the Court of International Trade (CIT) that affirmed the International Trade Commission's (ITC's) negative injury determinations on remand in the second sunset review of the antidumping duty order on ball bearings from Japan, we revoked the order on ball bearings and parts thereof from Japan and discontinued all ongoing administrative reviews, pending a final and conclusive court decision.³ On May 16, 2013, the United States Court of Appeals for the Federal Circuit (Federal Circuit) reversed the CIT's decision and ordered the CIT to reinstate the ITC's affirmative material injury determinations.⁴ Subsequently, on November 18, 2013, the CIT issued final judgment reinstating the ITC's affirmative injury determinations.⁵ Thus, on December 16, 2013 we reinstated the antidumping duty order and resumed all previously discontinued administrative reviews.⁶

Rescission of Review in Part

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." In our *Reinstatement Notice*, we informed parties that the deadline to withdraw requests for review was 90 days from the publication of that notice.⁷ We received timely withdrawals of requests for review from all firms except Bosch Packaging Technology K.K., Bosch Rexroth Corporation, and Hagglunds Ltd. (collectively, the Robert Bosch Companies).⁸ This rescission in part is

⁷ Because the 90-day deadline to withdraw was Sunday, March 16, 2014, and the government was closed on Monday, March 17, 2014, due to hazardous weather, the actual deadline for parties to withdraw was Tuesday, March 18, 2014.

⁸ On March 27, 2014, the Robert Bosch Companies filed an untimely letter withdrawing their request for review. Because the deadline to withdraw was clearly established in the *Reinstatement Notice*, we did not grant the withdrawal request. See April 2, 2014

in accordance with 19 CFR 351.213(d)(1).

Accordingly, the Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
