Rule 607; SEC File No. 270-561; OMB Control No. 3235-0634.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation E (17 CFR 230.601 to 610a) allows the exemption of securities issued by a small business investment company ("SBIC") which is registered under the Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*) or a closed-end investment company that has elected to be regulated as a business development company ("BDC") under the Investment Company Act from registration under the Securities Act of 1933 ("Securities Act") (15 U.S.C. 77a *et seq.*), so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and holidays) prior to its use.¹ Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed for investor protection.

Respondents to this collection of information include SBICs and BDCs making an offering of securities under Regulation E. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically. The

¹ Sales material includes advertisements, articles or other communications to be published in newspapers, magazines, or other periodicals; radio and television scripts; and letters, circulars or other written communications proposed to be sent given or otherwise communicated to more than ten persons.

burden of filing electronically, however, is negligible and there have been no filings made under this rule, so this collection of information does not impose any burden on the industry. However, we are requesting one annual response and an annual burden of one hour for administrative purposes. The estimate of average burden hours is made solely for purposes of the Paperwork Reduction Act and is not derived from a quantitative, comprehensive, or even representative survey or study of the burdens associated with Commission rules and forms.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Form N-8F; SEC File No. 270-136; OMB Control No. 3235-0157.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-8F (17 CFR 274.218) is the form prescribed for use by registered investment companies in certain circumstances to request orders of the Commission declaring that the registration of that investment company cease to be in effect. The form requests, from investment companies seeking a deregistration order, information about (i) the investment company's identity, (ii) the investment company's distributions, (iii) the investment company's assets and liabilities, (iv) the events leading to the request to deregister, and (v) the conclusion of the investment company's business. The information is needed by the Commission to determine whether an order of deregistration is appropriate.

The Form takes approximately 3 hours on average to complete. It is estimated that approximately 330 investment companies file Form N-8F annually, so that the total annual burden for the form is estimated to be 990 hours. The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act and is not derived from a comprehensive or even a representative survey or study.

The collection of information on Form N-8F is not mandatory. The information provided on Form N-8F is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are requested on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collection of information; (c) ways to enhance the quality, utility and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given

to comments and suggestions submitted in writing within 60 days of this publication.

Rule 155; OMB Control No. 3235-0549; SEC File No. 270-492.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 155 (17 CFR 230.155) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) provides safe harbors for a registered offering following an abandoned private offering, or a private offering following an abandoned registered offering, without integrating the registered and private offerings in either case. Rule 155 requires any prospectus filed as a part of a registration statement after a private offering to include disclosure regarding abandonment of the private offering. Similarly, the rule requires an issuer to provide each offeree in a private offering following an abandoned registered offering with: (1) Information concerning withdrawal of the registration statement; (2) the fact that the private offering is unregistered; and (3) the legal implications of the offering's unregistered status. The likely respondents will be companies. Rule 155 takes approximately 4 hours per response to prepare and is filed by 600 respondents. We estimate that 50% of

the 4 hours per response (2 hours per response) is prepared by the filer for a total annual reporting burden of 1,200 hours (2 hours per response x 600 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
