FOR FURTHER INFORMATION CONTACT:

Geoffrey Wertz, Office of Nuclear Reactor Regulation, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone: 301-415-0893; email: Geoffrey.Wertz@nrc.gov.

SUPPLEMENTARY INFORMATION: The NRC has issued Renewed Facility Operating License No. R-108, held by the Dow Chemical Company, which authorizes continued operation of the Dow TRIGA (Training, Research, Isotope Production, General Atomics) Research Reactor (DTRR), located in Midland, Michigan. The DTRR is a pool-type, natural convection, light-water cooled, and shielded reactor. The DTRR is licensed to operate at a steady-state thermal power level of 300 kilowatts. The Renewed Facility Operating License No. R-108 will expire 20 years from its date of issuance.

The renewed facility operating license complies with the standards and requirements of the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. The Commission has made appropriate findings as required by the Act and the Commission's regulations in Title 10, Chapter 1, of the *Code of Federal Regulations*, and sets forth those findings in the renewed facility operating license. The agency afforded an opportunity for hearing in the Notice of Opportunity for Hearing published in the **Federal Register** on February 13, 2012 (77 FR 7613-7618). The NRC received no request for a hearing or petition for leave to intervene following the notice.

The NRC staff prepared a safety evaluation report for the renewal of Facility Operating License No. R-108 and concluded, based on that evaluation, the licensee can continue to operate the facility without endangering the health and safety of the public. The NRC staff also prepared an Environmental Assessment and Finding of No Significant Impact for the renewal of the facility operating license, noticed in the **Federal Register** on July 20, 2012 (77 FR 42771-42774), as supplemented on May 8, 2013 (78 FR 26811-26812), and concluded that renewal of the facility operating license will not have a significant impact on the quality of the human environment.

Dated at Rockville, Maryland, this 19 day of June 2014.

For the Nuclear Regulatory Commission.

Linh N. Tran,

Acting Chief, Research and Test Reactors Licensing Branch, Division of Policy and Rulemaking, Office of Nuclear Reactor Regulation.

BILLING CODE 7590-01-P

NUCLEAR REGULATORY COMMISSION

[NRC-2014-0114]

In the Matter of All Operating Reactor Licensees

AGENCY: Nuclear Regulatory Commission.

ACTION: Revised Director's decision under 10 CFR 2.206; issuance.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has issued a revised director's decision with regard to a petition dated July 27, 2011, filed by Mr. Geoff Fettus, Senior Project Attorney for the Natural Resources Defense Council (the petitioner), requesting that the NRC take action with regard to all operating reactor licensees. The petitioner's request, the director's decision, the letter to the petitioner, and the letter to the licensees (which includes a listing of all operating reactor licensees affected by this revised director's decision) are discussed in the **SUPPLEMENTARY INFORMATION** section of this document.

ADDRESSES: Please refer to Docket ID NRC-2014-0114 when contacting the NRC about the availability of information regarding this document. You may obtain publicly-available information related to this document using any of the following methods:

- **Federal Rulemaking Web site:** Go to <http://www.regulations.gov> and search for NRC-2014-0114. Address questions about NRC dockets to Carol Gallagher; telephone: 301-287-3422; email: Carol.Gallagher@nrc.gov.

- **NRC's Agency wide Documents Access and Management System (ADAMS):** You may access publicly available documents online in the NRC Library at <http://www.nrc.gov/reading-rm/adams.html>. To begin the search, select "ADAMS Public Documents" and then select "Begin Web-based ADAMS Search." For problems with ADAMS, please contact the NRC's Public Document Room (PDR) reference staff at 1-800-397-4209, 301-415-4737, or by email to pdr.resource@nrc.gov. The Proposed Director's Decision and the Letter to the Petitioner are available in ADAMS under Accession Nos. ML13282A373 and ML13282A358. The Letter to the Licensees, which includes a listing of all operating reactor licensees affected by this proposed director's decision, is available in ADAMS under Accession No. ML13282A372.

- **NRC's PDR:** You may examine and purchase copies of public documents at the NRC's PDR, Room O1-F21, One

White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the Deputy Director, Office of Nuclear Reactor Regulation, has issued a revision to a director's decision (ADAMS Accession No. ML14098A166) dated May 6, 2014, on a petition filed by the petitioner on July 27, 2011, (ADAMS Accession No. ML11216A085). A listing of all operating reactor licensees affected by this director's decision is available in the Letter to Licensees, available in ADAMS under Accession No. ML13282A372.

The petitioner requested that the NRC order licensees to comply with 12 specific recommendations in the NRC Near-Term Task Force (NTTF) Report, "Recommendations for Enhancing Reactor Safety in the 21st Century," issued July 12, 2011, (ADAMS Accession No. ML111861807). The petitioner cited the NTTF Report as the rationale for and basis of the petition.

The NRC sent a copy of the proposed director's decision to the petitioner and the licensees for comment on March 11, 2014. The petitioner and the licensees were asked to provide comments within 15 days on any part of the proposed director's decision that was considered to be erroneous or any issues in the petition that were not addressed. The staff did not receive any comments on the proposed director's decision.

The NRC issued a director's decision (ADAMS Accession No. ML14098A166) on May 6, 2014. Subsequently, the NRC found two revisions necessary. The NRC's response to the petitioner's Request 7 is corrected to reference the *final* regulatory basis issued on October 1, 2013 (ML13101A344), instead of the draft regulatory basis as originally stated. The NRC's response to the part of Request 8 stating that licensees should be required to "maintain ERDS [Emergency Response Data System] capability throughout the accident" is corrected to state that the request will be addressed by an advance notice of proposed rulemaking (ANPR).

As stated in the initial director's decision, the Deputy Director of the Office of Nuclear Reactor Regulation has determined that the petitioner's request to order licensees to comply with 12 specific recommendations in the NRC NTTF Report, "Recommendations for Enhancing Reactor Safety in the 21st Century," issued July 12, 2011, was resolved through the issuance of orders, written statements in accordance with Title 10 of the *Code of Federal Regulations* (10 CFR), rulemaking, and the Emergency Response Data System

initiative. The reasons for this decision are explained in this revised director's decision (DD-14-02), which the NRC is issuing pursuant to 10 CFR 2.206 of the Commission's regulations.

The NRC will file a copy of the revised director's decision with the Secretary of the Commission for the Commission's review in accordance with 10 CFR 2.206. As provided by this regulation, the director's decision will constitute the final action of the Commission 25 days after the date of the decision unless the Commission, on its own motion, institutes a review of the director's decision in that time.

Dated at Rockville, Maryland, this 17th day June of 2014.

For the Nuclear Regulatory Commission.
Jennifer L. Uhle,
Deputy Director for Reactor Safety Programs,
Office of Nuclear Reactor Regulation.

BILLING CODE 7590-01-P

POSTAL REGULATORY COMMISSION

[Docket No. CP2013-45; Order No. 2099]

Amendment to Postal Product

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is noticing a recent Postal Service filing requesting an amendment to Priority Mail Express & Priority Mail Contract 13 on the competitive product list. This notice informs the public of the filing, invites public comment, and takes other administrative steps.

DATES: *Comments are due:* June 30, 2014.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>. Those who cannot submit comments electronically should contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section by telephone for advice on filing alternatives.

FOR FURTHER INFORMATION CONTACT: David A. Trissell, General Counsel, at 202-789-6820.

SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Introduction
- II. Notice of Filings
- III. Ordering Paragraphs

I. Introduction

On June 19, 2014, the Postal Service filed notice that it has agreed to an Amendment to the existing Priority Mail

Express & Priority Mail Contract 13 negotiated service agreement approved in this docket.¹ In support of its Notice, the Postal Service includes a redacted copy of the Amendment and a certification of compliance with 39 U.S.C. 3633(a), as required by 39 CFR 3015.5.

The Postal Service also filed the unredacted Amendment and supporting financial information under seal. The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of information that it has filed under seal. *Id.*

The Amendment changes the rates for Priority Mail pieces sent under the negotiated service agreement. It also extends the term of the negotiated service agreement from five years to seven years.

The Postal Service intends for the Amendment to become effective one business day after the date that the Commission completes its review of the Notice. Notice at 1. The Postal Service asserts that the Amendment will not impair the ability of the contract to comply with 39 U.S.C. 3633. Notice, Attachment B at 1.

II. Notice of Filings

The Commission invites comments on whether the changes presented in the Postal Service's Notice are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642, 39 CFR 3015.5, and 39 CFR part 3020, subpart B. Comments are due no later than June 30, 2014. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Kenneth R. Moeller to represent the interests of the general public (Public Representative) in this docket.

III. Ordering Paragraphs

It is ordered:

1. The Commission reopens Docket No. CP2013-45 for consideration of matters raised by the Postal Service's Notice.

2. Pursuant to 39 U.S.C. 505, the Commission appoints Kenneth R. Moeller to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

3. Comments are due no later than June 30, 2014.

4. The Secretary shall arrange for publication of this order in the **Federal Register**.

¹ Notice of United States Postal Service of Change in Prices Pursuant to Amendment to Priority Mail Express & Priority Mail Contract 13, June 19, 2014 (Notice).
