SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-96101; File No. 4-762]

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Notice of Filing and Order Approving and Declaring Effective an Amended Plan for the Allocation of Regulatory Responsibilities Between the Financial Industry Regulatory Authority, Inc. and MEMX LLC

October 18, 2022.

Notice is hereby given that the Securities and Exchange Commission (“Commission”) has issued an Order, pursuant to Section 17(d) of the Securities Exchange Act of 1934 (“Act”),¹ approving and declaring effective an amendment to the plan for allocating regulatory responsibility (“Plan”) filed on October 6, 2022, pursuant to Rule 17d-2 of the Act,² by the Financial Industry Regulatory Authority, Inc. (“FINRA”) and MEMX LLC (“MEMX”) (collectively, “Participating Organizations” or “parties”). This agreement amends and restates the agreement entered into between FINRA and MEMX on April 16, 2020, entitled “Agreement between Financial Industry Regulatory Authority, Inc. and MEMX LLC pursuant to Rule 17d-2 under the Securities Exchange Act of 1934,” and any subsequent amendments thereafter.

I. Introduction

Section 19(g)(1) of the Act,³ among other things, requires every self-regulatory organization (“SRO”) registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO’s own rules, unless the SRO is relieved of this responsibility pursuant to Section

17(d)⁴ or Section 19(g)(2)⁵ of the Act. Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO (“common members”). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁶ was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.⁷ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.⁸ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority (“DEA”) to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.⁹ When an SRO has been named as a common member’s DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO’s obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.¹⁰ Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect

to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for appropriate notice and opportunity for comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors, to foster cooperation and coordination among the SROs, to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system, and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. The Plan

On June 17, 2020, the Commission declared effective the Plan entered into between FINRA and MEMX for allocating regulatory responsibility pursuant to Rule 17d-2.¹¹ The Plan is intended to reduce regulatory duplication for firms that are common members of FINRA and MEMX by allocating regulatory responsibility with respect to certain applicable laws, rules, and regulations that are common among them. Included in the Plan is an exhibit that lists every MEMX rule for which FINRA bears responsibility under the Plan for overseeing and enforcing with respect to MEMX members that are also members of FINRA and the associated persons therewith (“Certification”).

III. Proposed Amendment to the Plan

On October 6, 2022, the parties submitted a proposed amendment to the Plan (“Amended Plan”). The primary purpose of the Amended Plan is to add Securities Exchange Act Rule 14e-4(a)(1)(ii)(D) to the Certification to accommodate the upcoming launch of MEMX’s new options facility and to reflect updated rule citations. The text of the proposed Amended Plan is as follows (additions are italicized; deletions are [bracketed]):

of 1934 (the “Exchange Act”) and Rule 17d–2 thereunder, which permits agreements between self-regulatory organizations to allocate regulatory responsibility to eliminate regulatory duplication. FINRA and MEMX may be referred to individually as a “party” and together as the “parties.”

Whereas, FINRA and MEMX desire to reduce duplication in the examination and surveillance of their Dual Members (as defined herein) and in the filing and processing of certain registration and membership records; and

Whereas, FINRA and MEMX desire to execute an agreement covering such subjects pursuant to the provisions of Rule 17d–2 under the Exchange Act and to file such agreement with the Securities and Exchange Commission (the “SEC” or “Commission”) for its approval.

Now, therefore, in consideration of the mutual covenants contained hereinafter, FINRA and MEMX hereby agree as follows:

1. *Definitions.* Unless otherwise defined in this Agreement or the context otherwise requires, the terms used in this Agreement shall have the same meaning as they have under the Exchange Act and the rules and regulations thereunder. As used in this Agreement, the following terms shall have the following meanings:

(a) “MEMX Rules” or “FINRA Rules” shall mean: (i) the rules of MEMX, or (ii) the rules of FINRA, respectively, as the rules of an exchange or association are defined in Exchange Act Section 3(a)(27).

(b) “Common Rules” shall mean MEMX Rules that are substantially similar to the applicable FINRA Rules and certain provisions of the Exchange Act and SEC rules set forth on *Exhibit 1* in that examination or surveillance for compliance with such provisions and rules would not require FINRA to develop one or more new examination or surveillance standards, modules, procedures, or criteria in order to analyze the application of the provision or rule, or a Dual Member’s activity, conduct, or output in relation to such provision or rule; provided, however, Common Rules shall not include the application of the SEC, MEMX or FINRA rules as they pertain to violations of insider trading activities, which is covered by a separate 17d–2 Agreement by and among Cboe BZX Exchange, Inc., Cboe BYX Exchange, Inc., Chicago Stock Exchange, Inc., Cboe EDGA Exchange, Inc., Cboe EDGX Exchange, Inc., Financial Industry Regulatory Authority, Inc., MEMX LLC, MIAX PEARL, LLC, Nasdaq BX, Inc., Nasdaq PHLX LLC, The Nasdaq Stock Market LLC, NYSE National, Inc., New York Stock Exchange, LLC, NYSE American LLC, NYSE Arca Inc., and Investors’ Exchange LLC and Long-Term Stock Exchange, Inc. effective [August 1, 2019] September 23, 2020, as may be amended from time to time. Common Rules shall not include any provisions regarding (i) notice, reporting or any other filings made directly to or from MEMX, (ii) incorporation by reference of MEMX Rules that are not Common Rules, (iii) exercise of discretion in a manner that differs from FINRA’s exercise of discretion including, but not limited to exercise of exemptive authority, by MEMX, (iv) prior written approval of MEMX and (v) payment of fees or fines to MEMX.

(c) “Dual Members” shall mean those MEMX members that are also members of FINRA and the associated persons therewith.

(d) “Effective Date” shall be the date this Agreement is approved by the Commission.

(e) “Enforcement Responsibilities” shall mean the conduct of appropriate proceedings, in accordance with FINRA’s Code of Procedure (the Rule 9000 Series) and other applicable FINRA procedural rules, to determine whether violations of Common Rules have occurred, and if such violations are deemed to have occurred, the imposition of appropriate sanctions as specified under FINRA’s Code of Procedure and sanctions guidelines.

(f) “Regulatory Responsibilities” shall mean the examination responsibilities, surveillance responsibilities and Enforcement Responsibilities relating to compliance by the Dual Members with the Common Rules and the provisions of the Exchange Act and the rules and regulations thereunder, and other applicable laws, rules and regulations, each as set forth on *Exhibit 1* attached hereto.

2. *Regulatory and Enforcement Responsibilities.* FINRA shall assume Regulatory Responsibilities and Enforcement Responsibilities for Dual Members. Attached as *Exhibit 1* to this Agreement and made part hereof, MEMX furnished FINRA with a current list of Common Rules and certified to FINRA that such rules that are MEMX Rules are substantially similar to the corresponding FINRA Rules (the “Certification”). FINRA hereby agrees that the rules listed in the Certification are Common Rules as defined in this Agreement. Each year following the Effective Date of this Agreement, or more frequently if required by changes in either the rules of MEMX or FINRA, MEMX shall submit an updated list of Common Rules to FINRA for review which shall add MEMX Rules not included in the current list of Common Rules that qualify as Common Rules as defined in this Agreement; delete MEMX Rules included in the current list of Common Rules that no longer qualify as Common Rules as defined in this Agreement; and confirm that the remaining rules on the current list of Common Rules continue to be MEMX Rules that qualify as Common Rules as defined in this Agreement. Within 30 days of receipt of such updated list, FINRA shall confirm in writing whether the rules listed in any updated list are Common Rules as defined in this Agreement. Notwithstanding anything herein to the contrary, it is explicitly understood that the term “Regulatory Responsibilities” does not include, and MEMX shall retain full responsibility for (unless otherwise addressed by separate agreement or rule) (collectively, the “Retained Responsibilities”) the following:

(a) surveillance, examination, investigation and enforcement with respect to trading activities or practices involving MEMX’s own marketplace for rules that are not Common Rules;

(b) registration pursuant to its applicable rules of associated persons (i.e., registration rules that are not Common Rules);

(c) discharge of its duties and obligations as a Designated Examining Authority

pursuant to Rule 17d–1 under the Exchange Act; and

(d) any MEMX Rules that are not Common Rules, except for MEMX Rules for any MEMX member that operates as a facility (as defined in Section 3(a)(2) of the Exchange Act), acts as an outbound router for the MEMX and is a member of FINRA (“Router Member”) as provided in paragraph 6. As of the date of this Agreement, MEMX Execution Services LLC is the only Router Member.

3. *Dual Members.* Prior to the Effective Date, MEMX shall furnish FINRA with a current list of Dual Members, which shall be updated no less frequently than once each quarter.

4. *No Charge.* There shall be no charge to MEMX by FINRA for performing the Regulatory Responsibilities and Enforcement Responsibilities under this Agreement except as otherwise agreed by the parties, either herein or in a separate agreement.

5. *Applicability of Certain Laws, Rules, Regulations or Orders.* Notwithstanding any provision hereof, this Agreement shall be subject to any statute, or any rule or order of the Commission. To the extent such statute, rule or order is inconsistent with this Agreement, the statute, rule or order shall supersede the provision(s) hereof to the extent necessary for them to be properly effectuated and the provision(s) hereof in that respect shall be null and void.

6. *Notification of Violations.*

(a) In the event that FINRA becomes aware of apparent violations of any MEMX Rules, which are not listed as Common Rules, discovered pursuant to the performance of the Regulatory Responsibilities assumed hereunder, FINRA shall notify MEMX of those apparent violations for such response as MEMX deems appropriate. With respect to apparent violations of any MEMX Rules by any Router Member, FINRA shall not make referrals to MEMX pursuant to this paragraph 6. Such apparent violations shall be processed by, and enforcement proceedings in respect thereto will be conducted by, FINRA as provided in this Agreement.

(b) In the event that MEMX becomes aware of apparent violations of any Common Rules, discovered pursuant to the performance of the Retained Responsibilities, MEMX shall notify FINRA of those apparent violations and such matters shall be handled by FINRA as provided in this Agreement.

(c) Apparent violations of Common Rules shall be processed by, and enforcement proceedings in respect thereto shall be conducted by FINRA as provided hereinbefore; provided, however, that in the event a Dual Member is the subject of an investigation relating to a transaction on MEMX, MEMX may in its discretion assume concurrent jurisdiction and responsibility.

(d) Each party agrees to make available promptly all files, records and witnesses necessary to assist the other in its investigation or proceedings.

7. *Continued Assistance.*

(a) FINRA shall make available to MEMX all information obtained by FINRA in the performance by it of the Regulatory Responsibilities hereunder with respect to the Dual Members subject to this Agreement. In particular, and not in limitation of the

foregoing, FINRA shall furnish MEMX any information it obtains about Dual Members which reflects adversely on their financial condition. MEMX shall make available to FINRA any information coming to its attention that reflects adversely on the financial condition of Dual Members or indicates possible violations of applicable laws, rules or regulations by such firms.

(b) The parties agree that documents or information shared shall be held in confidence, and used only for the purposes of carrying out their respective regulatory obligations. Neither party shall assert regulatory or other privileges as against the other with respect to documents or information that is required to be shared pursuant to this Agreement.

(c) The sharing of documents or information between the parties pursuant to this Agreement shall not be deemed a waiver as against third parties of regulatory or other privileges relating to the discovery of documents or information.

8. *Statutory Disqualifications.* When FINRA becomes aware of a statutory disqualification as defined in the Exchange Act with respect to a Dual Member, FINRA shall determine pursuant to Sections 15A(g) and/or Section 6(c) of the Exchange Act the acceptability or continued applicability of the person to whom such disqualification applies and keep MEMX advised of its actions in this regard for such subsequent proceedings as MEMX may initiate.

9. *Customer Complaints.* MEMX shall forward to FINRA copies of all customer complaints involving Dual Members received by MEMX relating to FINRA's Regulatory Responsibilities under this Agreement. It shall be FINRA's responsibility to review and take appropriate action in respect to such complaints.

10. *Advertising.* FINRA shall assume responsibility to review the advertising of Dual Members subject to the Agreement, provided that such material is filed with FINRA in accordance with FINRA's filing procedures and is accompanied with any applicable filing fees set forth in FINRA Rules.

11. *No Restrictions on Regulatory Action.* Nothing contained in this Agreement shall restrict or in any way encumber the right of either party to conduct its own independent or concurrent investigation, examination or

enforcement proceeding of or against Dual Members, as either party, in its sole discretion, shall deem appropriate or necessary.

12. *Termination.* This Agreement may be terminated by MEMX or FINRA at any time upon the approval of the Commission after six (6) month's written notice to the other party.

13. *Arbitration.* In the event of a dispute between the parties as to the operation of this Agreement, MEMX and FINRA hereby agree that any such dispute shall be settled by arbitration in Washington, DC in accordance with the rules of the American Arbitration Association then in effect, or such other procedures as the parties may mutually agree upon. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Each party acknowledges that the timely and complete performance of its obligations pursuant to this Agreement is critical to the business and operations of the other party. In the event of a dispute between the parties, the parties shall continue to perform their respective obligations under this Agreement in good faith during the resolution of such dispute unless and until this Agreement is terminated in accordance with its provisions. Nothing in this Section 13 shall interfere with a party's right to terminate this Agreement as set forth herein.

14. *Notification of Members.* MEMX and FINRA shall notify Dual Members of this Agreement after the Effective Date by means of a uniform joint notice.

15. *Amendment.* This Agreement may be amended in writing duly approved by each party. All such amendments must be filed with and approved by the Commission before they become effective.

16. *Limitation of Liability.* Neither FINRA nor MEMX nor any of their respective directors, governors, officers or employees shall be liable to the other party to this Agreement for any liability, loss or damage resulting from or claimed to have resulted from any delays, inaccuracies, errors or omissions with respect to the provision of Regulatory Responsibilities as provided hereby or for the failure to provide any such responsibility, except with respect to such liability, loss or damages as shall have been suffered by one or the other of FINRA or MEMX and caused by the willful misconduct of the other party or their respective

directors, governors, officers or employees. No warranties, express or implied, are made by FINRA or MEMX with respect to any of the responsibilities to be performed by each of them hereunder.

17. *Relief from Responsibility.* Pursuant to Sections 17(d)(1)(A) and 19(g) of the Exchange Act and Rule 17d-2 thereunder, FINRA and MEMX join in requesting the Commission, upon its approval of this Agreement or any part thereof, to relieve MEMX of any and all responsibilities with respect to matters allocated to FINRA pursuant to this Agreement; provided, however, that this Agreement shall not be effective until the Effective Date.

18. *Severability.* Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction.

19. *Counterparts.* This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and such counterparts together shall constitute one and the same instrument.

V. Discussion

The Commission finds that the proposed Amended Plan is consistent with the factors set forth in Section 17(d) of the Act¹² and Rule 17d–2(c) thereunder¹³ in that the proposed Amended Plan is necessary or appropriate in the public interest and for the protection of investors, fosters cooperation and coordination among SROs, and removes impediments to and fosters the development of the national market system. In particular, the Commission believes that the proposed Amended Plan should reduce unnecessary regulatory duplication by allocating to FINRA certain examination and enforcement responsibilities for Dual Members that would otherwise be performed by FINRA and MEMX. Accordingly, the proposed Amended Plan promotes efficiency by reducing costs to Dual Members. Furthermore, because MEMX and FINRA will coordinate their regulatory functions in accordance with the Amended Plan, the Amended Plan should promote investor protection.

The Commission notes that, under the Amended Plan, MEMX and FINRA have allocated regulatory responsibility for those MEMX rules, set forth in the Certification, that are substantially similar to the applicable FINRA rules in that examination for compliance with such provisions and rules would not require FINRA to develop one or more new examination standards, modules, procedures, or criteria in order to analyze the application of the rule, or a Dual Member's activity, conduct, or output in relation to such rule. In addition, under the Amended Plan, FINRA would assume regulatory

responsibility for certain provisions of the federal securities laws and the rules and regulations thereunder that are set forth in the Certification. The Common Rules covered by the Amended Plan are specifically listed in the Certification, as may be amended by the Parties from time to time.

According to the Amended Plan, MEMX will review the Certification at least annually, or more frequently if required by changes in either the rules of MEMX or FINRA, and, if necessary, submit to FINRA an updated list of Common Rules to add MEMX rules not included on the then-current list of Common Rules that are substantially similar to FINRA rules; delete MEMX rules included in the then-current list of Common Rules that no longer qualify as common rules; and confirm that the remaining rules on the list of Common Rules continue to be MEMX rules that qualify as common rules.¹⁴ FINRA will then confirm in writing whether the rules listed in any updated list are Common Rules as defined in the Amended Plan. The Commission believes that these provisions are designed to provide for continuing communication between the Parties to ensure the continued accuracy of the scope of the proposed allocation of regulatory responsibility.

The Commission is hereby declaring effective an Amended Plan that, among other things, allocates regulatory responsibility to FINRA for the oversight and enforcement of all MEMX rules that are substantially similar to the rules of FINRA for Dual Members of MEMX and FINRA. Therefore, modifications to the Certification need not be filed with the Commission as an amendment to the Amended Plan, provided that the Parties are only adding to, deleting from, or confirming changes to MEMX rules in the Certification in conformance with the definition of Common Rules provided in the Amended Plan. However, should the

Parties decide to add an MEMX rule to the Certification that is not substantially similar to a FINRA rule; delete an MEMX rule from the Certification that is substantially similar to a FINRA rule; or leave on the Certification an MEMX rule that is no longer substantially similar to a FINRA rule, then such a change would constitute an amendment to the Amended Plan, which must be filed with the Commission pursuant to Rule 17d-2 under the Act.¹⁵

Under paragraph (c) of Rule 17d-2, the Commission may, after appropriate notice and comment, declare a plan, or any part of a plan, effective. In this instance, the Commission believes that appropriate notice and comment can take place after the proposed amendment is effective. The primary purpose of the Amended Plan is to add Securities Exchange Act Rule 14e-4(a)(1)(ii)(D) to the Certification. The Commission notes that the prior version of this plan immediately prior to this proposed amendment was published for comment and the Commission did not receive any comments thereon.¹⁶ Furthermore, the Commission does not believe that the amendment to the plan raises any new regulatory issues that the Commission has not previously considered.

VI. Conclusion

This order gives effect to the Amended Plan filed with the Commission in File No. 4-762. The Parties shall notify all members affected by the Amended Plan of their rights and obligations under the Amended Plan.

It is therefore ordered, pursuant to Section 17(d) of the Act, that the Amended Plan in File No. 4-762, between the FINRA and MEMX, filed pursuant to Rule 17d-2 under the Act, hereby is approved and declared effective.

It is further ordered that MEMX is relieved of those responsibilities allocated to FINRA under the Amended Plan in File No. 4-762.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁷

¹⁵ The addition to or deletion from the Certification of any federal securities laws, rules, and regulations for which FINRA would bear responsibility under the Amended Plan for examining, and enforcing compliance by, Dual Members, also would constitute an amendment to the Amended Plan.

October 18, 2022.

Notice is hereby given that the Securities and Exchange Commission ("Commission") has issued an Order, pursuant to Section 17(d) of the Securities Exchange Act of 1934 ("Act"),¹ approving and declaring effective an amendment to the plan for allocating regulatory responsibility ("Plan") filed on September 20, 2022, pursuant to Rule 17d-2 of the Act,² by Cboe BZX Exchange, Inc. ("BZX"), BOX Exchange, LLC ("BOX"), Cboe Exchange, Inc., Cboe C2 Exchange, Inc. ("C2"), Nasdaq ISE, LLC ("ISE"), Financial Industry Regulatory Authority, Inc. ("FINRA"), Miami International Securities Exchange, LLC ("MIAx"), The Nasdaq Stock Market LLC ("Nasdaq"), Nasdaq BX, Inc. ("BX"), NYSE American LLC ("NYSE American"), NYSE Arca, Inc. I. Introduction

Section 19(g)(1) of the Act,³ among other things, requires every self-regulatory organization ("SRO") registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons

associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d)⁴ or Section 19(g)(2)⁵ of the Act. Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁶ was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.⁷ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.⁸ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules.⁹ When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission
