Agency form number: FR H-6.

OMB control number: 7100-0278.

Frequency: Event-generated.

Respondents: State member banks.

Estimated number of respondents: Post Notification, 132; and Application (Prior Approval), 74.

Estimated average hours per response: Post Notification, 2; and Application (Prior Approval), 5.

Estimated annual burden hours: Post Notification, 264; and Application (Prior Approval), 370.

General description of report: Regulation H requires state member banks planning to make community development or public welfare investments to comply with the Regulation H notification requirements: (1) If the investment does not require prior Board approval, a written notice must be sent to the appropriate Federal Reserve Bank; and (2) if the investment does require prior Board approval, a request for approval must be sent to the appropriate Federal Reserve Bank.

Proposed revisions: The Board proposes to revise the FR H-6 by removing the notification requirement to submit the request for extension of the divestiture period when the bank cannot divest within the established time limit. This requirement has been listed on the form and in the supporting statement for a number of years, but is not contained in the regulations.

Legal authorization and confidentiality: Section 9(23) of the Federal Reserve Act authorizes the Board to prescribe regulations with regard to state member banks making investments primarily devoted to public

welfare endeavors.¹ The obligation to respond is mandatory.

Individual respondents may request that information submitted to the Board through the FR H-6 be kept confidential. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on a case-by-case basis. Information collected through the FR H-6 may be kept confidential under exemption 4 for the Freedom of Information Act (FOIA), which protects privileged or confidential commercial or financial information.² Additionally, to the extent the FR H-6 contains information used in examination reports, it may be withheld from disclosure under FOIA Exemption 8, which protects information "related to examination, operating, or condition reports."³
