BILLING CODE 9111-14-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5770-N-01]

Request for Comment on the 2015 American Housing Survey Metropolitan Samples

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice.

SUMMARY: This notice announces the intent of the Department of Housing and Urban Development (HUD) to conduct the American Housing Survey (AHS) for 2015 with a new national sample and up to 30 metropolitan area samples. As part of the planning for the 2015 AHS, HUD is soliciting public comments regarding which metropolitan areas should be sampled. HUD is interested in all comments, especially from government policymakers, academic researchers, and AHS data users that specify: (1) Which metropolitan areas are important from a housing policy perspective; (2) which metropolitan areas are important from a housing program perspective, including, but not limited to, low-income and assisted housing programs; and (3) which metropolitan areas are important for other demographic or socioeconomic reasons. HUD encourages those persons interested in commenting to consider these three questions when suggesting metropolitan areas to be sampled for 2015.

DATES: *Comments Due Date:* April 7, 2014.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments must refer to the above docket number and title. There are two methods for submitting public comments:

1. *Submission of Comments by Mail.* Comments may be submitted by mail to Shawn Bucholtz, Director, Housing and Demographic Analysis Division, Office of Policy Development and Research, Department of Housing and Urban Development, 451 7th St. SW., Room 8222, Washington, DC 20410. Due to security measures at all federal agencies, however, submission of comments by mail often results in delayed delivery. To ensure timely receipt of comments, HUD recommends that comments submitted by mail be submitted at least two weeks in advance of the public comment deadline.

2. *Electronic Submission of Comments.* Interested persons may submit comments electronically through the Federal eRulemaking Portal at

<http://www.regulations.gov>. HUD strongly encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make them immediately available to the public. Comments submitted electronically through the www.regulations.gov Web site can be viewed by other commenters and interested members of the public. Commenters should follow the instructions provided on that site to submit comments electronically.

Note: To receive consideration as public comments, comments must be submitted through one of the two methods specified above. Again, all submissions must refer to the docket number.

No Facsimile Comments. Facsimile (FAX) comments are not acceptable.

Public Inspection of Public Comments: All properly submitted comments and communications submitted to HUD will be available for public inspection and copying between 8 a.m. and 5 p.m. weekdays at the above address. Due to security measures at the HUD Headquarters building, an advance appointment to review the public comments must be scheduled by calling the Regulations Division at 202-708-3055 (this is not a toll-free number). Individuals with speech or hearing impairments may access this number through TTY by calling the Federal Relay Service at 800-877-8339. Copies of all comments submitted are available for inspection and downloading at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: Shawn Bucholtz, Director, Housing and Demographic Analysis Division, Office of Policy, Development and Research, 451 7th Street SW., Room 8222, Washington, DC 20410-0500, telephone number 202-402-5538 (this is not a toll-free number). Hearing- or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Relay Service at telephone number 1-800-877-8339.

SUPPLEMENTARY INFORMATION:

A. Background

The American Housing Survey (AHS) provides a periodic measure of the size and composition of the country's housing inventory and provides valuable information about housing costs and housing quality. HUD provides all funding and oversight for the AHS. Through an interagency agreement, the Census Bureau provides operational management and field data collection for the survey.
