

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals should be reserved to the United States, together with the right to prospect for, mine and remove the minerals.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease and conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit written comments regarding the classification and proposed lease and conveyance of the lands to the Field Manager, San Juan Field Office, 15 Burnett Court, Durango, Colorado, 81301.

Classification Comments

Interested parties may submit comments involving the suitability of the land for a fire station. Comments on the classification are restricted to whether the land is suited for the proposal, whether the use will maximize the further use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Clyde Johnson, San Juan Field Office, phone (970) 385-1352. Documents pertinent to this proposal may be reviewed at the San Juan Field Office, 15 Burnett Court, Durango, Colorado.

Kent Hoffman,

Associate Field Manager.
