

families and preschool services for children with disabilities; (2) ensure effective coordination of Federal early intervention and preschool programs, including Federal technical assistance and support activities; and (3) identify gaps in Federal agency programs and services and barriers to Federal interagency cooperation. To meet these purposes, the FICC seeks to: (1) Identify areas of conflict, overlap, and omissions in interagency policies related to the provision of services to infants, toddlers, and preschoolers with disabilities; (2) develop and implement joint policy interpretations on issues related to infants, toddlers, and preschoolers that cut across Federal agencies, including modifications of regulations to eliminate barriers to interagency programs and activities; and (3) coordinate the provision of technical assistance and dissemination of best practice information. The FICC is chaired by Dr. Robert Pasternack, Assistant Secretary for Special Education and Rehabilitative Services.

Individuals who need accommodations for a disability in order to attend the meeting (*i.e.*, interpreting services, assistive listening devices, material in alternative format) should notify Obral Vance at (202) 205-5507 (press 3) or (202) 205-5637 (TDD) ten days in advance of the meeting. The meeting location is accessible to individuals with disabilities.

Summary minutes of the FICC meetings will be maintained and available for public inspection at the U.S. Department of Education, 330 C Street, SW., Room 3090, Switzer Building, Washington, DC 20202, from the hours of 9 a.m. to 5 p.m., weekdays, except Federal holidays.

[Docket No. CP01-5-004]

### Algonquin Gas Transmission Company; Notice of Compliance Filing

October 9, 2003.

Take notice that on October 1, 2003, Algonquin Gas Transmission Company (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the tariff sheets included in Appendix A to the filing, proposed to be effective: (1) On November 1, 2003, or, if service does not commence on November 1, 2003, such later date as the facilities constructed for the HubLine Mainline are placed into service, and (2) on April 1, 2004 for certain sheets previously filed, as designated in Appendix A.

Algonquin asserts that the purpose of this filing is to comply with the Commission's Orders issued in the above-captioned docket on December 21, 2001, as amended June 4, 2002, in which the Commission approved

Algonquin's amended application for a certificate of public convenience and necessity authorizing the construction of certain pipeline facilities including the facilities referred to as the HubLine Mainline. Algonquin states that the revised tariff sheets reflect the rates for the HubLine Mainline service as approved by the Commission, as well as removal of all references to the Fore River Lateral from the rate sheets, Rate Schedule AFT-CL, and the form of service agreement. Specifically with regard to the HubLine Mainline rate, the tariff sheets reflect a maximum reservation rate of \$1.8607 per Dth, or \$0.0612 per Dth on a 100% load factor basis, as approved by the Commission.

Algonquin states that copies of its filing have been mailed to all affected customers of Algonquin and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before the protest date as shown below. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. #### ANR Pipeline Company; Notice of Filing

October 9, 2003.

Take notice that on October 1, 2003, ANR Pipeline Company (ANR), 9 E Greenway Plaza, Houston, Texas 77046, filed with the Federal Energy Regulatory Commission (Commission) pursuant to Section 7(C) of the Natural Gas Act, and Subpart A of the Commission's Regulations its application to install an additional 6,000 horsepower of electric powered compression at its Weyauwega Compressor Station in Waupaca County, Wisconsin, referred to as its North Leg Project. ANR states that its North Leg Project will effectively replace ANR's reliance on upstream Viking Gas Transmission Company (Viking) capacity for flowing volumes of 107,217 dekatherms per day at ANR's Marshfield receipt point. ANR states that its North Leg Project involves the construction of electric compression only, with no pipeline looping proposed, and is consistent with its settlement with Viking in Docket No. CP00-391-000.<sup>1</sup> ANR estimates that the cost of the North Leg Project to be approximately \$13,519,310. ANR also seeks approval of pro-forma FERC Gas Tariff sheets concerning its proposed Electric Power Cost tracking mechanism, all as more fully described in the application. The filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's website at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document.
