SUPPLEMENTARY INFORMATION:**I. Background and Authority**

The Middle Class Tax Relief and Job Creation Act of 2012 (Act) created the First Responder Network Authority (FirstNet Authority) as an independent authority within NTIA. The Act charged the FirstNet Authority with ensuring the building, deployment, and operation of a nationwide, interoperable public safety broadband network, based on a single, national network architecture.¹ The FirstNet Authority holds the single nationwide public safety license granted for wireless public safety broadband deployment. The FirstNet Authority Board is responsible for providing overall policy direction and oversight of FirstNet to ensure that the nationwide network continuously meets the needs of public safety.

II. Structure

The FirstNet Authority Board is composed of 15 voting members. The Act names the Secretary of Homeland Security, the Attorney General of the United States, and the Director of the Office of Management and Budget as permanent members of the FirstNet Authority Board. The Secretary of Commerce (Secretary) appoints the 12 non-permanent members of the FirstNet Authority Board.²

The Act requires each Board member to have experience or expertise in at least one of the following substantive areas: public safety, network, technical, and/or financial.³ Additionally, the composition of the FirstNet Authority Board must satisfy the other requirements specified in the Act, including that: (i) at least three members have served as public safety professionals; (ii) at least three members represent the collective interests of States, localities, Tribes, and Territories; and (iii) its members reflect geographic and regional, as well as rural and urban, representation.⁴ An individual Board member may satisfy more than one of these requirements. Any Board member whose term has expired may serve until such member's successor has taken office, or until the end of the calendar year in which such member's term has expired, whichever is earlier.⁵ Board members will be appointed for a term of three years. Board members may not serve more than two consecutive full three-year terms.⁶ In 2024, four current Board members are ineligible for reappointment. More information about the FirstNet Authority Board is available at www.firstnet.gov/about/Board.

III. Compensation and Status as Government Employees

FirstNet Authority Board members are appointed as government employees. FirstNet Authority Board members are compensated at the daily rate of basic pay for level IV of the Executive Schedule (approximately \$183,500 per year as of January 2023) for each day worked on the FirstNet Authority Board.⁷ Board members work intermittent schedules and may not work more than 130 days per year during their term. Each Board member must be a United States citizen, cannot be a registered lobbyist, and cannot be a registered agent of, employed by, or

IV. Financial Disclosure and Conflicts of Interest

FirstNet Authority Board members must comply with certain Federal conflict of interest statutes and ethics regulations, including some financial disclosure requirements. A FirstNet Authority Board member will generally be prohibited from participating on any FirstNet Authority matter that will have a direct and predictable effect on his or her personal financial interests or on the interests of the appointee's spouse, minor children, or non-Federal employer.

V. Selection Process

At the direction of the Secretary, NTIA will conduct outreach to the public safety community, State and local organizations, and industry to solicit nominations for candidates to the Board who satisfy the statutory requirements for membership. In addition, the Secretary, through NTIA, will accept expressions of interest from any individual, or from any organization proposing a candidate who satisfies the statutory requirements for membership on the FirstNet Authority Board. COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Determination Under the Textile and Apparel Commercial Availability Provision of the Dominican Republic-Central America-United States Free Trade Agreement ("CAFTA-DR")

AGENCY: The Committee for the Implementation of Textile Agreements.

ACTION: Determination to add a product in unrestricted quantities to Annex 3.25 of the CAFTA-DR.

DATES: *Applicable Date:* January 3, 2024.

SUMMARY: The Committee for the Implementation of Textile Agreements ("CITA") has determined that certain two-way stretch polyester/spandex woven fabric (the "subject product"), as specified below, is not available in commercial quantities in a timely manner in the CAFTA-DR countries. The product will be added to the list in Annex 3.25 of the CAFTA-DR in unrestricted quantities.

FOR FURTHER INFORMATION CONTACT: Laurie Mease, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-2043 or Laurie.Mease@trade.gov.

For Further Information Online: <https://otexaprod.trade.gov/otexacapublicsite/requests/cafta> under "Approved Requests," File Number: CA2023001.

SUPPLEMENTARY INFORMATION:

Authority: The CAFTA-DR; section 203(o)(4) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act ("CAFTA-DR Implementation Act"), Public Law 109-53; the Statement of Administrative Action accompanying the CAFTA-DR Implementation Act; and Presidential Proclamation 7987 (February 28, 2006).

Background: The CAFTA-DR provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA-DR have determined are not

available in commercial quantities in a timely manner in the territory of any Party. The CAFTA-DR provides that this list may be modified pursuant to Article 3.25.4 and 3.25.5, when the United States determines that a fabric, yarn, or fiber is not available in commercial quantities in a timely manner in the territory of any Party. *See* Annex 3.25 of the CAFTA-DR; *see also* section 203(o)(4)(C) of the CAFTA-DR Implementation Act.

The CAFTA-DR Implementation Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamation 7987, the President delegated to CITA the authority under section 203(o)(4) of CAFTA-DR Implementation Act for modifying the Annex 3.25 list. Pursuant to this authority, on September 15, 2008, CITA published modified procedures it would follow in considering requests to modify the Annex 3.25 list of products determined to be not commercially available in the territory of any Party to the CAFTA-DR (*Modifications to Procedures for Considering Requests Under the Commercial Availability Provision of the Dominican Republic-Central America-United States Free Trade Agreement*, 73 FR 53200) ("CITA's procedures").

On October 31, 2023, CITA received a commercial availability request from Konffetty S.A. de C.V. ("Konffetty") for certain two-way stretch polyester/spandex woven fabric, as specified below. On November 2, 2023, in accordance with CITA's procedures, CITA notified interested parties of the Request, which was posted on the dedicated website for CAFTA-DR commercial availability proceedings. In its notification, CITA advised that any Response with an Offer to Supply ("response") must be submitted by November 15, 2023, and any Rebuttal to a Response ("rebuttal") must be submitted by November 21, 2023, in accordance with sections 6 and 7 of CITA's procedures.

Based on a request from an interested entity, and in accordance with section 6(a) of CITA's procedures, CITA extended the response deadline by two business days, through November 17, 2023. Correspondingly, the rebuttal deadline was extended by two business days, through November 24, 2023.

On November 17, 2023, Summitex Woven Textiles ("Summitex") submitted a response to the pending request. On November 24, 2023,

Konffetty submitted a rebuttal to Summitex's response. In accordance with section 203(o)(4) of the CAFTA-DR Implementation Act, Article 3.25 of the CAFTA-DR, and section 8(c)(4) of CITA's procedures, because there was insufficient information on the record to make a determination within 30 business days, CITA extended the period to make a determination by 14 U.S. business days. Further, in accordance with section 8(c)(4)(i) of its procedures, CITA called for a public meeting on December 6, 2023 with representatives of Konffetty and Summitex to provide the companies with an opportunity to submit additional evidence to substantiate their claims regarding Summitex's capability to supply the subject product in commercial quantities in a timely manner.

Section 203(o)(4)(C)(ii) of the CAFTA-DR Implementation Act provides that after receiving a request, a determination will be made as to whether the subject product is available in commercial quantities in a timely manner in the CAFTA-DR countries. In the instant case, the information on the record indicates that Konffetty made significant efforts to source the fabric in the CAFTA-DR region, specifically from Summitex. However, Summitex has not demonstrated its ability to supply the subject product in commercial quantities in a timely manner. Therefore, in accordance with section 203(o) of the CAFTA-DR Implementation Act and CITA's procedures, as no interested entity has substantiated its ability to supply the subject product in commercial quantities in a timely manner, CITA has determined to add the specified fabric to the list in Annex 3.25 of the CAFTA-DR.

The subject product has been added to the list in Annex 3.25 of the CAFTA-DR in unrestricted quantities. A revised list has been posted on the dedicated website for CAFTA-DR Commercial Availability proceedings, at <https://otexaprod.trade.gov/otexacapublicsite/shortsupply/cafta>.
