Certain Frozen Warmwater Shrimp From Thailand; Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from Thailand. The review covers 160 producers/exporters of the subject merchandise. The Department selected two mandatory respondents for individual examination: A Foods 1991 Co., Limited and May Ao Foods Co., Ltd. (collectively, Mayao); and Thai Union/Pakfood, which consists of Thai Union Group Public Co., Ltd. (also known as Thai Union Frozen Products Public Co., Ltd.), Thai Union Seafood Company Limited, Pakfood Public Company Limited, Asia Pacific (Thailand) Co., Ltd., Chaophraya Cold

Storage Co. Ltd., Okeanos Co. Ltd., Okeanos Food Co. Ltd., and Takzin Samut Co. Ltd. The period of review (POR) is February 1, 2015, through January 31, 2016. We preliminarily determine that sales to the United States have been made below normal value and, therefore, are subject to antidumping duties. Additionally, we preliminarily determine that certain companies for which we initiated a review did not have any shipments during the POR. If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. We invite interested parties to comment on these preliminary results.

DATES: Effective March 6, 2017.

FOR FURTHER INFORMATION CONTACT: Andrew Medley or Alice Maldonado, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4987 and (202) 482-4682, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.¹ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description remains dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

¹ For a complete description of the scope of the Order, see Memorandum from James Maeder, Senior Director, Office I, for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, entitled "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order on Certain Frozen Warmwater Shrimp from Thailand," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/fnr/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

Preliminary Determination of No Shipments

Among the companies under review, five companies properly filed statements reporting that they made no shipments of subject merchandise to the United States during the POR.² Based on the certifications submitted by four of these companies and our analysis of CBP information, we preliminarily determine that the following companies had no reviewable transactions during the POR: (1) Calsonic Kansei (Thailand) Co., Ltd.; (2) Lucky Union Foods Co., Ltd.; (3) Marine Gold Products Ltd. (Marine Gold);³ and (4) Thai Union Manufacturing Company Limited (Thai Union Manufacturing). The Department finds that it is not appropriate to preliminarily rescind the review with respect to these companies but, rather, to complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.⁴

² For a full explanation of the Department's analysis, see the Preliminary Decision Memorandum.

³ Shrimp produced and exported by Marine Gold was excluded from the AD Thailand order effective February 1, 2012. See *Certain Frozen Warmwater Shrimp From Thailand: Final Results of Antidumping Duty Administrative Review, Partial Rescission of Review, and Revocation of Order (in Part); 2011–2012*, 78 FR 42497, 42499 (July 16, 2013) (*2011–2012 Thai Shrimp*). Accordingly, we are conducting this administrative review with respect to Marine Gold only for shrimp produced in Thailand where Marine Gold acted as either the producer or the exporter (but not both).

⁴ See, e.g., *Certain Frozen Warmwater Shrimp From Thailand; Preliminary Results of Antidumping Duty Administrative Review, Partial Rescission of Review, Preliminary Determination of No Shipments; 2012–2013*, 79 FR 15951, 15952 (March 24, 2014), unchanged in *Certain Frozen Warmwater Shrimp From Thailand: Final Results of*

One of the remaining companies, Grobest Frozen Foods Co., Ltd. (Grobest) failed to provide a complete certification relating to potential sales or entries of subject merchandise during the POR.⁵ Therefore, we preliminarily find that there is insufficient evidence

on the record of this review to conclude that Grobest made no shipments of subject merchandise to the United States during the POR.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that weighted-average dumping margins exist for the respondents for the period February 1, 2015, through January 31, 2016, as follows:

authorities.¹² Case and rebuttal briefs should be filed using ACCESS.¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁴ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. The Department intends to issue the final results of this administrative review, including the results of its analysis raised in any written briefs, not later than 120 days after the publication date of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.

Pursuant to 19 CFR 351.212(b)(1), where Mayao and Thai Union/Pakfood reported the entered value for of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where Mayao and Thai Union/Pakfood have not reported entered value, we calculated the entered value in order to calculate the assessment rates. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the average¹⁶ of the cash deposit rates

calculated for the companies selected for mandatory review (*i.e.*, Mayao and Thai Union), excluding any which are *de minimis* or determined entirely on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁷

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 5.34 percent, the all-others rate made effective by the *Section 129 Determination*.¹⁸ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping

duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 28, 2017.

Ronald K. Lorentzen,
Acting Assistant Secretary for Enforcement and Compliance.
