## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Health Resources and Services Administration

#### Sudden Unexpected Infant Death Prevention

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services.

**ACTION:** Announcing period of performance extension with funding for the Sudden Unexpected Infant Death (SUID) Prevention Program.

**SUMMARY:** HRSA will provide additional award funds to the one recipient of the SUID Prevention Program with period of performance ending in fiscal year 2025 to extend the current period of performance by 12 months to continue the activities of the program related to reducing infant deaths.

**FOR FURTHER INFORMATION CONTACT:** Diane Pilkey, Senior Nurse Consultant, Division of Child Adolescent and Family Health, Maternal and Child Health Bureau, Health Resources and Services Administration, at [dpilkey@hrsa.gov](mailto:dpilkey@hrsa.gov) and 301–500–9637.

#### SUPPLEMENTARY INFORMATION:

*Intended Recipient(s) of the Award:* American Academy of Pediatrics (AAP).

*Amount of Non-Competitive Award(s):* One Award of \$500,000.

*Project Period:* July 1, 2025, through June 30, 2026.

*Assistance Listing (CFDA) Number:* 93.110.

*Award Instrument:* Cooperative Agreement.

*Authority:* This non-competitive supplemental funding is authorized by 42 U.S.C. 701(a)(2) (title V, sec. 501(a)(2) of the Social Security Act).

*Purpose/Justification:* HRSA will provide a non-competitive supplement of \$500,000 to the SUID Prevention Program recipient, AAP, to extend the period of performance by an additional year, July 1, 2025, to June 30, 2026, to connect families with the resources that

they need and to help improve family capacity to practice safe sleep. This Program was awarded on July 1, 2022, for a 3-year period (HRSA 22–082). The purpose of the program is to reduce overall rates of SUID by supporting pediatric health care practitioners to provide evidence-based counseling and education to infant caregivers and families; to guide system improvements; and to identify and support policy changes that address state- and community-specific SUID risks. The awardee has demonstrated progress during this period and will be able to expand that progress if extended by 1 year.

Funds are available for award for this non-competitive supplement. A non-competitive supplement is necessary to ensure on time, high-quality implementation of best practices for reducing infant deaths that the current recipient is uniquely positioned to continue. The recipient is in good standing with current HRSA grant requirements and has been a leader in Sudden Infant Death Syndrome (SIDS) and SUID prevention for decades, starting with the initial Back to Sleep campaign in the 1990s that urged parents and caregivers to place infants to sleep supine following the emergence of data that supported this recommendation. More recently, the AAP Task Force on SIDS has published comprehensive recommendations for the prevention of SIDS, Accidental Suffocation and Strangulation in Bed, and other sleep-related deaths, based on a detailed and impartial analysis of all available evidence. In addition, AAP directs several initiatives aimed at improving child health outcomes.

The current recipient will use their existing infrastructure to maintain implementation without disruption and they are the only organization with a unique existing network of practicing pediatricians and related professionals who are part of a National Safe Sleep Champion Network, a network of pediatrician experts in safe sleep to promote safe sleep recommendations and education for providers to better serve families.

The recipient will be expected to ensure continued efforts around reducing infant deaths by disseminating and implementing best practices, increasing connections with state and local infant fatality review teams and AAP Chapters, supporting implementation of a community

engagement toolkit, and expanding their National Safe Sleep Champion Network.

### Agency Information Collection Request. 30-Day Public Comment Request

**AGENCY:** Office of the Secretary, HHS.

**ACTION:** Notice.

**SUMMARY:** In compliance with the requirement of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed collection for public comment.

**DATES:** Comments on the ICR must be received on or before July 14, 2025.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

#### FOR FURTHER INFORMATION CONTACT:

Natalie Klein, [Natalie.Klein@hhs.gov](mailto:Natalie.Klein@hhs.gov) or (240) 453–6900. When submitting comments or requesting information, please include the document identifier 0990–0278–30D and project title, Federalwide Assurance (FWA) Form, for reference.

**SUPPLEMENTARY INFORMATION:** Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

*Title of the Collection:* Federalwide Assurance (FWA) Form.

*Type of Collection:* Revision.

*OMB No.:* 0990–0278.

*Abstract:* The Office of the Assistant Secretary for Health, Office for Human
