Affected Public: Individuals or Households.

Abstract: The CFPB seeks approval from the Office of Management and Budget (“OMB”) to conduct a national web survey of 8,000 individuals as part of its study of ATM/debit card overdraft disclosure forms, which is being undertaken under the CFPB’s regulatory authority for the Electronic Fund Transfer Act.

The survey will explore consumer comprehension and decision-making in response to revised overdraft disclosure forms. It will also explore financial product usage, behavioral traits, and other consumer characteristics that may interact with a consumer’s experiences with overdraft programs and related disclosure forms. The survey will include a representative sample of the U.S. adult checking account-holding population, with oversampling of respondents who are more likely to have experience with overdraft fees.
