

2010, 75 FR 28046). If additional data sets are added to CEI Prototype, this SORN will be updated. If deployed for operational use, additional data sources may be used. DHS will update this SORN or issue a new SORN prior to the operational use of the system.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

The records maintained in the CEI Prototype are the non-exempt portions of the records in the source systems because the information ingested into the CEI Prototype is the information provided directly by the individual for the requested benefit. When a record received from another system has been exempted in that source system under 5 U.S.C. 552a(j)(2) or (k)(1), (k)(2), or (k)(5), DHS will claim the same exemptions for those records that are claimed for the original primary systems of records from which they originated.
