

30, 2000 applicable to workers of Ambar Chemical, Incorporated, Corporate Office located in Houston, Texas. The notice was published in the **Federal Register** on July 24, 2000 (65 FR 45621).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers provide support services such as accounting, customer service and sales for the subject firms' production facility in Manistee, Michigan. Company information shows that Ambar, Incorporated is the parent firm of Ambar Chemical, Incorporated, Houston, Texas. New information provided by the State shows that workers separated from employment at the Corporate Office, Houston, Texas location of Ambar Chemical, Incorporated had their wages reported under a separate unemployment insurance (UI) tax account at Ambar, Incorporated, also located in Houston, Texas.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Ambar Chemical, Incorporated who were adversely affected by increased imports.

The amended notice applicable to TA-W-37,657A is hereby issued as follows:

All workers of Ambar Chemical, Incorporated, Ambar, Incorporated, Corporate Office, Houston, Texas who became totally or partially separated from employment on or after April 25, 1999 through June 30, 2002 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington DC this 21st day of November, 2000.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Johnstown Corporation, Johnstown,
PA; Notice of Affirmative
Determination Regarding Application
for Reconsideration

By letter of September 26, 2000, the United Steelworkers of America requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to petition number TA-W-37,828. The denial notice was signed on August 15, 2000 and was published in the **Federal Register** on September 12, 2000 (65 FR 55049).

The petitioner presented new information concerning declining customers of the subject firm. The Department will therefore conduct further survey of the Johnstown Corporation customers.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 19th day of October 2000.

Linda G. Poole,

Certifying Officer, Division of Trade
Adjustment Assistance.

Johnstown, Corporation, Johnstown,
PA; Notice of Revised Determination of
Reconsideration

On October 19, 2000, the Department issued an Affirmative Determination Regarding Application on Reconsideration applicable to workers and former workers of the subject firm. The notice soon will be published in the **Federal Register**.

The Department initially denied TAA to workers of Johnstown Corporation, Johnstown, Pennsylvania, because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met.

On reconsideration, the Department obtained additional information from the company regarding the company's lost customer bids of iron rolls during the relevant period. The survey revealed that major respondents reported awarding the contracts to foreign sources for which the subject firm was the lowest domestic bidder.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with iron rolls contributed importantly to the declines in sales or production and to the total or partial separation of workers of Johnstown Corporation, Johnstown, Pennsylvania. In accordance with the provisions of the Act, I make the following certification:

All workers of Johnstown Corporation, Johnstown, Pennsylvania who became totally or partially separated from employment on or after June 9, 1999 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974;

Signed in Washington, DC this 16th day of November 2000.
