

requirements of the Federal Aviation Administration and the release and sale of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Liberal Mid-America Regional Airport (LBL) is proposing the release and sale of a 0.87 acre parcel of airport property. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the release of land and surface rights at the Liberal Mid-America Regional Airport (LBL) from the conditions of the AIP Grant Agreement Grant Assurances, but retaining the mineral rights. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value and the property will be developed for a commercial business.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, request an appointment and inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Liberal Mid-America Regional Airport.

Issued in Kansas City, MO, on January 31, 2023.

James A. Johnson,
Director, FAA Central Region, Airports Division.

Federal Aviation Administration

[Docket No. FAA-2022-0701]

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Operations Specifications, Part 129 Application

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 23, 2022. There were no comments. The FAA assesses the information collected and issues operations specifications to foreign air carriers. These operations specifications assure the foreign air carrier's ability to navigate and communicate safely within the U.S. National Airspace System.

DATES: Written comments should be submitted by March 8, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting

“Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Danuta Pronczuk or Paul Thoren by email at: danuta.pronczuk@faa.gov; phone: 202-267-0923; paul.thoren@faa.gov; phone: 424-405-7819.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0749.

Title: Operations Specifications, Part 129 Application.

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 23, 2022 (87 FR 37545). The final rule published in 2011, clarified and standardized the rules for applications by foreign air carriers and foreign persons for operations specifications issued under 14 CFR part 129 and established standards for amendment, suspension and termination of those operations specifications. The final rule also applied to foreign air carriers and foreign persons operating U.S.-registered aircraft in common carriage solely outside the United States. This action was necessary to update the process for issuing operations specifications, and it established a regulatory basis for current practices, such as amending, terminating, and suspending operations specifications.

Respondents: Approximately 29 new applicants annually and 451 existing foreign air carriers and foreign persons annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 27 Hours for new applicants. 47 hours for existing applicants.

Estimated Total Annual Burden: 783 hours for new applicants and 21,197 hours for existing applicants.
