DEPARTMENT OF LABOR

Employment and Training Administration

Notice on Reallocation of Workforce Innovation Opportunity Act (WIOA) Title I Formula Allotted Funds for Dislocated Worker Activities for Program Year (PY) 2021

AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice.

SUMMARY: The Workforce Innovation Opportunity Act (WIOA), requires the Secretary of Labor (Secretary) to conduct reallocation of certain WIOA formula allotted funds based on ETA 9130 financial reports submitted by states as of the end of the prior PY. This notice publishes the dislocated worker PY 2021 funds for recapture by state and the amount to be reallocated to eligible states.

DATES: This notice is effective February 10, 2022.

FOR FURTHER INFORMATION CONTACT: Ms. Kimberly Vitelli, Administrator, U.S. Department of Labor, Office of Workforce Investment, Employment and Training Administration, Room C-4510, 200 Constitution Avenue NW, Washington, DC Telephone (202) 693-3980 (this is not a toll-free number) or fax (202) 693-3981.

SUPPLEMENTARY INFORMATION: In the Fiscal Year (FY) 2021 Appropriations Act, Congress appropriated WIOA PY 2021 funds in two portions: (1) Funds available for obligation July 1, 2021 (i.e., PY 2021 “base” funds), and (2) funds available for obligation October 1, 2021

(i.e., FY 2022 “advance” funds).

Together, these two portions make up the complete PY 2021 WIOA funding. Training and Employment Guidance Letter (TEGL) No. 19-20 announced WIOA allotments based on this appropriation and TEGL No. 16-19 alerted states to the recapture and reallocation of funds’ provisions based on obligations of PY 2020 funding, as required under WIOA Section 132(c). This section and 127(c) of WIOA requires the Secretary of Labor (Secretary) to conduct reallocation of excess unobligated WIOA Adult, Youth, and Dislocated Worker formula funds based on ETA 9130 financial reports submitted by states at the end of the prior program year (i.e., PY 2020).

WIOA regulations at 20 CFR 683.135 describe the procedures the Secretary uses for recapture and reallocation of funds. ETA will not recapture any PY 2021 funds for the Adult and Youth programs because there are no states where PY 2020 unobligated funds exceed the statutory requirements of 20 percent of state allotted funds. However, for the Dislocated Worker program, Oklahoma had unobligated PY 2020 funds in excess of 20 percent of their allotments. Therefore, ETA will recapture a total of \$89,236 from PY 2021 funding from Oklahoma and reallocate those funds to the remaining eligible states, as required by WIOA Section 132(c).

ETA will issue a Notice of Award to the states to reflect the recapture and reallocation of these funds. ETA will make adjustments of funds to the FY 2022 advance portion of the PY 2021 allotments, which ETA issued in October 2021. The attached tables display the net changes to PY 2021 formula allotments.

WIOA and its implementing regulations are silent on how states must distribute reallocated funds, so states have flexibility to determine the methodology used. For any state subject to recapture of funds, WIOA Section 132(c)(5) requires the Governor to prescribe equitable procedures for reacquiring funds from the state and local areas.

As mentioned, ETA will make the recapture/reallocation adjustments to the FY 2022 advance portion of the PY 2021 allotment. Therefore, for reporting purposes, states must reflect the recapture/reallocation amount (decrease or increase) in the “Total Federal Funds Authorized” line of any affected FY 2022 ETA 9130 financial reports (State Dislocated Worker Activities, Statewide Rapid Response, Local Dislocated Worker Activities) in a manner consistent with the method of

distribution of these amounts to state and local areas used by the state. The state must include an explanation of the

adjustment in the remarks section of the adjusted reports.

SUPPLEMENTARY INFORMATION: The Chief Evaluation Office (CEO) of the U.S. DOL seeks approval to collect information for the implementation, outcome, and impact feasibility studies of two Job Corps demonstration pilots. The Job Scholars pilot has 30 separate grantees. The Idaho Job Corps pilot has one grantee, which operates four locations. These studies, funded as part of the broader Job Corps Evidence-Building Portfolio Program, aim to understand who the pilots enroll, what services they provide, how these services are implemented, and how the pilots compare with traditional Job Corps centers. The evaluation will also assess outcomes of participants in the demonstration pilots, as well as identify any best practices. The project also includes impact feasibility assessments of each of the pilots to assess the potential for conducting an impact evaluation of the pilot's effectiveness or similar future pilots.
