

ACTION: Notice of intent to prepare a Planning Analysis/Environmental Assessment.

SUMMARY: The Jackson Field Office, Eastern States will prepare a Planning Analysis/Environmental Assessment (PA/EA), in cooperation with the U.S. Army Corps of Engineers, to consider leasing Federal mineral estate for oil and gas exploration and development. The lands, managed by the U.S. Army Corps of Engineers, are located in the Carr Creek Project Area in Knott County, Kentucky. This notice is issued pursuant to Title 40 *Code of Federal Regulations* (CFR) 1501.7 and Title 43 CFR 1610.2(c). The planning effort will follow the procedures set forth in Title 43 CFR part 1600. The public is invited to participate in this planning process, beginning with the identification of planning issues and criteria.

DATES: Comments relating to the identification of planning issues and criteria will be accepted for thirty days from the date of this publication. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

ADDRESSES: Send comments to: Bureau of Land Management, Jackson Field Office; 411 Briarwood Drive, Suite 404; Jackson, MS 39206.

FOR FURTHER INFORMATION CONTACT: Clay Moore, Lead for PA/EA, Jackson Field Office, (601-977-5400).

SUPPLEMENTARY INFORMATION: The BLM has responsibility to consider nominations to lease Federal mineral estate for oil and gas exploration and development. An interdisciplinary team will be used in the preparation of the PA/EA. Preliminary issues, subject to change as a result of public input, are (1) Potential impacts of oil and gas exploration and development on the surface resources and uses by the Corps of Engineers and (2) consideration of restrictions on lease rights to protect surface resources and uses by the Corps of Engineers. The Carr Creek Project Area is composed of lands acquired in many separate tracts totaling 3,914.64 acres. The Project Area is in Knott

County; approximately 20 miles east of Hazard, Kentucky.

Due to the limited scope of this PA/EA process, public meetings are not scheduled.

Bruce E. Dawson,

Field Manager, Jackson Field Office.

Notice of Intent To Amend Plans; Corrections

AGENCY: Bureau of Land Management, Interior.

ACTION: Corrections to Notice of intent to Prepare Plan Amendments

SUMMARY: The Bureau of Land Management (BLM), Grand Staircase-Escalante National Monument (GSENM) published in the November 30, 2001 issue of the **Federal Register** (FR) a Notice of Intent to Amend the GSENM Management Plan, the Paria Management Framework Plan, and the Escalante Management Framework Plan. As published, the notice contained the following errors: (1) The notice was incorrect and unclear about which plans are associated with the Willow Gulch and Clark Bench grazing allotments; and (2) The notice inadvertently omitted the inclusion of the Willow Gulch grazing allotment in planning criteria number 1.

FOR FURTHER INFORMATION, CONTACT: Monument Manager, Grand Staircase-Escalante National Monument, 190 E Center, Kanab, Utah 84741 (Phone: 435-644-4300).

SUPPLEMENTARY INFORMATION: Correction 1: In the **Federal Register** issue of November 30, 2001 (Volume 66, Number 231), FR Doc. 01-29729, on Page 59812, in the second column, under the "Summary" caption, correct the first sentence to read:

Summary: Pursuant to the Bureau of Land Management (BLM) Planning Regulations (43 CFR 1600) this notice advises the public that the BLM, Grand Staircase-Escalante National Monument (GSENM) is considering amendments to the following plans:

- (1) The Grand Staircase-Escalante National Monument (GSENM) Management Plan, and the Paria Management Framework Plan regarding the Clark Bench Allotment; and
- (2) The Grand Staircase-Escalante National Monument (GSENM) Management Plan and the Escalante

Management Framework Plan regarding the Willow Gulch Allotment.

Correction 2: In the **Federal Register** issue of November 30, 2001 (Volume 66, Number 231), FR Doc. 01-29729, on Page 59812, the third column, under the "Supplementary Information" caption, correct the second paragraph, Item 1 to read:

1. These plan amendments/EAs are initiated in response to the voluntary relinquishment of the sole grazing preference/permit for the Clark Bench grazing allotment and a portion of the grazing preference/permit for the Willow Gulch grazing allotment. These plan amendments will be addressed through two separate EAs. The analyses and decisions will apply only to these allotments.

Dated: December 12, 2001.

Sherry Barnett,

Deputy Assistant Director.

Intent To Prepare an Environmental Impact Statement (EIS) for a Proposed Pipeline Right-of-Way Across Federal Land in Lea, Eddy, Chaves, Lincoln, Guadalupe, Torrance, Sandoval, McKinley and San Juan Counties, NM; Ector and Winkler Counties, TX

AGENCY: Bureau of Land Management, New Mexico.

ACTION: Notice of Intent to Prepare an Environmental Impact Statement (EIS) and conduct EIS scoping meetings for the conversion of an existing pipeline and construction of new pipeline and above ground structures for the transportation of refined petroleum products from Odessa, Texas to Bloomfield, New Mexico.

SUMMARY: Equilon Pipeline Company, LLC, proposes a pipeline about 500 miles in length, from Odessa, Texas to Bloomfield, New Mexico, carrying refined petroleum products (gasoline, diesel, aviation fuel). Approximately 400 miles of the 500-mile system uses an existing pipeline formerly used to move crude oil from the Four Corners area to West Texas. Approximately 100 miles of new pipeline will be constructed in two segments; one linking Odessa, Texas to the existing pipeline at Jal, New Mexico, and the other connecting the north end of the existing pipeline near Bisti to

Bloomfield, New Mexico. The existing pipeline will be reconditioned.

Pursuant to Section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, the Bureau of Land Management, New Mexico State Office, will be the lead agency directing the preparation of an EIS on the impacts of proposed transportation of refined petroleum products through pipelines located on public lands in New Mexico and Texas, including BLM, National Forest System and State as well as private lands.

Preliminary Issues

Potential issues identified at this time include: biological and visual resources; soils, water, safety, social and economic concerns in association with refined petroleum products pipeline construction and operation. Other issues and concerns may be identified through scoping and the public participation development of this public notification process.

Responsible Official

The responsible official is Michelle Chavez, the BLM New Mexico State Director, 1474 Rodeo Road, Santa Fe, New Mexico, 87505.

Decisions To Be Made

The purpose of the EIS is to disclose to the public and permitting agencies the environmental impacts of constructing and operating the proposed pipeline. If approved, the BLM, as lead agency, would sign the necessary Record of Decision (ROD) for the issuance of right-of-way grants under the Mineral Leasing Act for the pipeline proposal.

Tentative Project Schedule

The tentative project schedule is as follows:

Begin Public Comment Period
January 2002
Scoping Meetings
January 2002
Scoping Comment Period Ends
February 2002
Publish Draft EIS
June 2002
Draft EIS Public Meetings
July 2002
Publish Final EIS
October 2002
Record of Decision
November 2002

Public Scoping Meetings

Public Scoping meetings are tentatively scheduled for the week of January 14, 2002 in Moriarty, Jal and Placitas, New Mexico. Open houses will also be held in Odessa, Texas and Bloomfield, NM.

Public Input Requested

Comments concerning the Proposed Action and EIS should address environmental issues to be considered, feasible alternatives to examine, possible mitigation and information relevant to or bearing on the Proposed Action.

Comments, including names and street addresses of respondents, will be available for public review at the BLM Albuquerque Field Office and will be subject to disclosure under the Freedom of Information Act (FOIA). They may be published as part of the EIS and other related documents. Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review and disclosure under the FOIA, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses will be made available for public inspection in their entirety.

ADDRESSES: Comments should be sent to Joseph Jaramillo, Project Manager, Bureau of Land Management, Albuquerque Field Office, 435 Montano Road, NE, Albuquerque, NM 87107-4935.

Dated: December 6, 2001.

Temporary Restriction of Use Order

AGENCY: Bureau of Land Management, Interior.

ACTION: Temporary restriction of motor vehicle use, Fort Sage Off Highway Vehicle Area.

SUMMARY: Notice is hereby given that effective 12:00 am April 6 until 6:00 pm April 7, 2002, use of motor vehicles is restricted at the Fort Sage Off Highway Vehicle Area to entrants and officials participating in motorcycle races under permit with the Bureau of Land Management. All roads and trails at the Fort Sage OHV area are closed to all other motor vehicle use on April 6 & 7, 2002, except for County Road 327 (Fort Sage Road), the Fort Sage Trailhead access road, the Widowmaker Trailhead Access road, and the road to the "Land

of David" site which remain open without restriction.

SUPPLEMENTARY INFORMATION: The purpose of this restriction is to protect persons and their property, by preventing the potential for collision between race participants and casual road and trail riders. The restriction will also prevent adverse impacts to soil, vegetation, wildlife habitat, and recreation resources by preventing the potential for cross country travel by or congregating of spectators adjacent to or between trails. Search and rescue, medical emergency, law enforcement, and other emergency personnel are exempted from these restrictions. BLM personnel are exempted from these restrictions for official administrative purposes. Owners of private lands within or adjacent to the Fort Sage OHV Area are exempted for access to owner's private land. Permitted OHV use remains limited to designated roads and trails as established under the existing OHV designation for the area. The authority for this closure is 43 CFR 8364.1
