COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions and Deletion

AGENCY: Committee for Purchase from People Who Are Blind or Severely Disabled.

ACTION: Additions to and deletion from Procurement List.

EFFECTIVE DATE: April 18, 2004.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia, 22202-3259.

SUPPLEMENTARY INFORMATION:

Additions

On October 10, 2003, January 9, and January 23, 2004, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (68 FR 58651, 69 FR 1568, and 3329) of proposed additions to the Procurement List.

The following comments pertain to Grounds Maintenance, Naval & Marine Corps Reserve Center, 995 E. Mission Street, San Jose, California.

Comments were received from the current contractor in response to a request for impact information. While conceding that the financial impact on the company of losing this contract will be negligible, the contractor did not believe it fair for its entry-level employees to be losing their jobs. The contractor did not provide any indication of how many jobs would actually be lost as a result of the Committee's action.

The Committee is sympathetic to the plight of the contractor's workers, many of whom are from immigrant backgrounds and have limited job and communication skills. However, due to the extremely high unemployment rate of the people with severe disabilities whom the Committee's program serves, the Committee believes that the creation of jobs for these people outweighs the possible loss of jobs for people whose unemployment rate is normally lower, and who could thus more easily replace any jobs lost.

The following material pertains to all of the items being added to the Procurement List. After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

2. The action will result in authorizing small entities to furnish the products and services to the government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products and services proposed for addition to the Procurement List.
