

the course of one year. This is a one-time survey, but may be repeated periodically in the future to refresh the factors used to estimate the travel account.

III. Data

OMB Control Number: None.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Individuals or households.

Estimated Number of Respondents: 6,000.

Estimated Time per Response: 10 minutes.

Estimated Total Annual Burden Hours: 1,000.

Estimated Total Annual Cost: \$40,000.

Respondent's Obligation: Voluntary.

Legal Authority: Bretton Woods Agreement Act, Section 8, and E.O. 10033, as amended.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: November 7, 2007.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

Light-Walled Rectangular Pipe and Tube from Mexico, Turkey, and the Republic of Korea: Postponement of Preliminary Determination of Antidumping Duty Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 14, 2007.

FOR FURTHER INFORMATION CONTACT: Robert James or David Cordell, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0649 and (202) 482-0408, respectively.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On July 17, 2007, the Department of Commerce (the Department) initiated the antidumping duty investigations of light-walled rectangular pipe and tube from Mexico, Turkey, and the Republic of Korea. *See Initiation of Antidumping Duty Investigations: Light-Walled Rectangular Pipe and Tube from Republic of Korea, Mexico, Turkey, and the People's Republic of China*, 72 FR 40274 (July 24, 2007). The notice of initiation stated that the Department would issue its preliminary determinations for these investigations no later than 140 days after the date of issuance of the initiation (*i.e.*, December 4, 2007) in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act).

On October 19, 2007, the petitioners, Allied Tube and Conduit, Atlas Tube, Bull Moose Tube Company, California Steel and Tube, EXLTUBE,¹ Hannibal Industries, Leavitt Tube Company, Maruichi American Corporation, Searing Industries, Southland Tube, Vest Inc., Welded Tube, and Western Tube and Conduit (the petitioners) made a timely request pursuant to 19 CFR 351.205(e) for a postponement of the preliminary determination with respect to Mexico, Turkey, and the Republic of Korea. The petitioners requested postponement of the preliminary determinations with respect to these three countries because the investigations are extraordinarily complicated given the number of

concurrent investigations of the subject merchandise, the complexity of the transactions to be investigated, and the novelty of the issues presented including targeted dumping and the offset of positive margins by negative margins.

For the reasons identified by the petitioner and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determinations with respect to Mexico, Turkey, and the Republic of Korea pursuant to section 733(c)(1)(A) of the Act by 50 days to January 23, 2008. The deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 6, 2007.

Stephen Claeys,

Acting Assistant Secretary for Import Administration.

National Institute of Standards and Technology

[Docket No.: 071017605-7606-01]

Establishment of a Laboratory Accreditation Program for Laboratories That Test Personal Body Armor

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice.

SUMMARY: Under the National Voluntary Laboratory Accreditation Program (NVLAP) the National Institute of Standards and Technology (NIST) announces the establishment of a laboratory accreditation program and the availability of applications for accreditation of laboratories that perform testing of body armor using National Institute of Justice draft standard 0101.06 Ballistic Resistance of Personal Body Armor developed by the NIST Office of Law Enforcement Standards for the Department of Justice (DoJ). Additional standards may be added in the future.

DATES: Laboratories interested in seeking accreditation are required to submit an application to NVLAP and pay required fees. Laboratories wishing to be considered for accreditation in the first group must submit applications by
