DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 29, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of

Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: February 26, 2008.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Type of Review: Revision.

Title: Annual Progress Report for the Title III Alternative Financing Program Under the Assistive Technology Act of 1998.

Frequency: On Occasion; Annually.

Affected Public: Not-for-profit institutions; Federal Government; State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 33.

Burden Hours: 974.

Abstract: Title III of the Assistive Technology Act of 1998 as in effect prior to the amendments of 2004 (Pub. L. 105-394) (AT Act of 1998) authorized grants to public agencies to support the establishment and maintenance of alternative financing programs (AFPs) that feature one or more alternative financing mechanisms to enable individuals with disabilities and their family members, guardians, advocates, and authorized representatives to purchase assistive technology (AT). Section 307 of Title III requires that the Rehabilitation Services Administration (RSA) submit to Congress an annual report on the activities conducted under that title. In order to meet this

requirement, states must provide annual progress reports to RSA. This annual report is a web-based data collection system developed based upon the instrument submitted for review herein.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 3627. DEPARTMENT OF ENERGY

Notice of Cancellation of Environmental Impact Statement for Implementation of the Low-Emission Boiler System (LEBS) Proof-of-Concept System, Elkhart, IL

AGENCY: Department of Energy.

ACTION: Notice of Cancellation of Environmental Impact Statement Process.

SUMMARY: The Department of Energy (DOE) is cancelling the preparation of an Environmental Impact Statement (EIS) under the National Environmental Policy Act (NEPA) for a proposal by Babcock Borsig Power to design, construct, and operate an advanced pulverized coal-fired power facility using a low emission boiler system (LEBS) at Elkhart, Illinois.

The proposed project would have been developed and operated by Cornbelt Energy and would have been built on land adjacent to an existing underground coal mine owned and operated by Turris Coal Company on a site in central Illinois.

DOE's proposed action was to provide cost-shared funding of approximately \$33.5 million (about 23.5% of the total expected project cost of approximately \$142.5 million). DOE announced its
