

of the divestitures is not acceptable, the proposed Order requires Hikma to unwind the sale of rights to Renaissance and then divest the products to a Commission-approved acquirer within six months of the date the Order becomes final. The proposed Order further allows the Commission to appoint a trustee should the parties fail to divest the products as required.

The proposed Consent Agreement and Order contain several provisions to help ensure that the divestitures are successful. The proposed Order requires that Hikma supply Renaissance with 5 mg, 10 mg, and 20 mg generic prednisone tablets and with generic lithium carbonate capsules for eighteen months while Hikma transfers the manufacturing technology to Renaissance's facility. The proposed Order also requires Hikma to provide a back-up supply of active pharmaceutical ingredient for generic prednisone tablets should the need for it arise. To ensure the success of these divestitures, the proposed Order requires Hikma to provide transitional services to assist Renaissance in establishing its manufacturing capabilities and securing all of the necessary FDA approvals. The transitional services include technical assistance to manufacture the product in substantially the same manner and quality employed or achieved by Hikma, and advice and training from knowledgeable employees of the parties. In addition, to ensure that Hikma complies with the terms of the Consent Agreement, the Commission has appointed Owen Richards of Quantic Regulatory Services, LLC as the Interim Monitor.

To remedy competitive concerns raised by the acquisition in the market for generic flecainide tablets, the proposed Order requires Hikma to divest its approximately 23% ownership interest in Unimark and to return to Unimark all rights it has to commercialize generic flecainide tablets in the United States. Unimark has selected another firm, Bion Pharma, of Princeton, New Jersey, to market generic flecainide tablets in the United States upon the product's approval by the FDA.

The purpose of this analysis is to facilitate public comment on the proposed Consent Agreement, and it is not intended to constitute an official interpretation of the proposed Order or to modify its terms in any way.

By direction of the Commission.

Donald S. Clark,
Secretary.

SUPPLEMENTARY INFORMATION:

A. Purpose

Part 32 of the FAR and the clause at FAR 52.232-5, Payments Under Fixed-Price Construction Contracts, require that contractors under fixed-price construction contracts certify, for every progress payment request, that payments to subcontractors/suppliers have been made from previous payments received under the contract and timely payments will be made from the proceeds of the payment covered by the certification, and that this payment request does not include any amount which the contractor intends to withhold from a subcontractor/supplier. Part 32 of the FAR and the clause at 52.232-27, Prompt Payment for Construction Contracts, further require that contractors on construction contracts:

(a) Notify subcontractors/suppliers of any amounts to be withheld and furnish a copy of the notification to the contracting officer;

(b) Pay interest to subcontractors/suppliers if payment is not made by 7 days after receipt of payment from the Government, or within 7 days after correction of previously identified deficiencies;

(c) Pay interest to the Government if amounts are withheld from subcontractors/suppliers after the Government has paid the contractor the amounts subsequently withheld, or if the Government has inadvertently paid the contractor for nonconforming performance; and

(d) Include a payment clause in each subcontract which obligates the contractor to pay the subcontractor for satisfactory performance under its subcontract no later than seven days after such amounts are paid to the contractor, include an interest penalty clause which obligates the contractor to pay the subcontractor an interest penalty if payments are not made in a

timely manner, and include a clause requiring each subcontractor to include these clauses in each of its subcontractors and to require each of its subcontractors to include similar clauses in their subcontracts.

These requirements are imposed by Public Law 100-496, the Prompt Payment Act Amendments of 1988.

Contracting officers will be notified if the contractor withholds amounts from subcontractors/suppliers after the Government has already paid the contractor the amounts withheld. The contracting officer must then charge the contractor interest on the amounts withheld from subcontractors/suppliers. Federal agencies could not comply with the requirements of the law if this information were not collected.
