

Title of Proposal: Public Housing Authority Executive Compensation Information.

OMB Control Number, if applicable: 2577-0272.

Description of the need for the information and proposed use: Pursuant to PIH Notice 2011-48, HUD has been collecting information on the compensation provided by public housing authorities (PHAs) to their five most highly compensated employees, similar to the information that non-profit organizations receiving federal tax exemptions are required to report to the IRS annually. Since PHAs receive significant direct federal funds, such compensation information has been collected by HUD to enhance oversight by HUD and by state and local authorities. After HUD began this information collection, Congress included a provision in its fiscal year 2012 appropriations legislation that placed a specific cap on the use of Section 8 and Section 9 funds to pay the salaries of PHA officials. To obtain information that will help HUD determine PHA compliance with this and future legislation, and to achieve the same overall objectives of the original information collection, HUD is revising the data collection instrument to collect information on base salary, and bonus and incentive compensation, and the extent to which such payments are made with federal funds.

Changes include obtaining data on total cash compensation paid for with Section 8 and Section 9 funds. The new elements replace several segments such as "Reportable Compensation from PHA and Related Organizations" and "Contributions to Employee Benefit Plans and Deferred Compensation from the PHA and Related Organizations".

Agency form numbers, if applicable: HUD-52725.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 1372. The number of respondents is 4116, the number of responses is 4116, the frequency of response is annually, and the burden hour per response is 20 minutes.

Status of the proposed information collection: This is a revised collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: January 18, 2013.

Merrie Nichols-Dixon,

Deputy Director, Office of Policy, Program and Legislative Initiatives.

Draft Candidate Conservation Agreement With Assurances and Draft Environmental Assessment; Rio Grande Cutthroat Trout, New Mexico and Colorado

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comment.

SUMMARY: Vermejo Park, LLC, d/b/a Vermejo Park Ranch (Applicant), has applied for an enhancement of survival permit pursuant to Section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended. The permit application includes a draft Candidate Conservation Agreement with Assurances (CCAA) between the U.S. Fish and Wildlife Service (Service) and Vermejo Park Ranch for the Rio Grande cutthroat trout in Taos County, New Mexico, and Costilla County, Colorado. If the Rio Grande cutthroat trout becomes listed in the future, the enhancement of survival permit will become effective, authorizing incidental take of Rio Grande cutthroat trout resulting from ongoing, otherwise lawful activities on enrolled lands. The draft CCAA and the draft environmental assessment are

available for public review, and we seek public comment on the potential issuance of the above permit.

DATES: To ensure consideration, please send your written comments by March 26, 2013.

ADDRESSES: Persons wishing to review the application, the draft CCAA, the draft EA, or other related documents may obtain copies by written or telephone request to Field Supervisor, New Mexico Ecological Services Field Office, 505-346-2525 (U.S. mail address below). Electronic copies of these documents are available for review on the New Mexico Ecological Services Field Office Web site: <http://www.fws.gov/southwest/es/NewMexico/>. The application and related documents will be available for public inspection, by appointment only, during normal business hours (8 a.m. to 4:30 p.m.) at the New Mexico Ecological Services Field Office at the address below.

Comments concerning the application, the draft CCAA, the draft EA, or other related documents should be submitted in writing to the Field Supervisor, by U.S. mail at the New Mexico Ecological Services Field Office, U.S. Fish and Wildlife Service, 2105 Osuna NE., Albuquerque, NM 87113; by telephone at 505-346-2525; or by facsimile at 505-346-2542. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 800-877-8339.

Please refer to Permit number TE72923A-0 when submitting comments. Please specify if comments are in reference to the draft CCAA, draft EA, or both.

FOR FURTHER INFORMATION CONTACT:

Wally "J" Murphy, Field Supervisor, U.S. Fish and Wildlife Service, New Mexico Ecological Services Field Office, at the address above.

SUPPLEMENTARY INFORMATION: With the assistance of the Service, the Applicant proposes to implement conservation measures for the Rio Grande cutthroat trout by removing threats to its survival and reintroducing it to historically occupied streams. The proposed CCAA would be in effect for 25 years on Vermejo Park Ranch in Taos County, New Mexico, and Costilla County, Colorado. This area constitutes the CCAA's Covered Area. The CCAA has been developed in support of a section 10(a)(1)(A) of the Endangered Species Act (16 U.S.C. 1531 *et seq.*) (Act) enhancement of survival permit.

If approved, Vermejo Park Ranch will be provided assurances that, should the Rio Grande cutthroat trout be listed, the Service will not require them to provide

additional land, water, or financial resources, nor will there be any further restrictions to their land, water, or financial resources than they committed to under the CCAA provisions (50 CFR 17.22(d) and 17.32(d)). Furthermore, if the Rio Grande cutthroat trout is listed, participants would be provided incidental take authorization under the enhancement of survival permit for the level of incidental take on the enrolled lands consistent with the activities under the CCAA provisions.

Background

The Rio Grande cutthroat trout (*Oncorhynchus clarkii virginalis*) is native to the Rio Grande, Pecos River, and Canadian River basins in New Mexico and Colorado. It is the southernmost subspecies of cutthroat trout. Because of nonnative species introductions, Rio Grande cutthroat trout are now restricted to streams that are narrow and small compared to the larger streams they once occupied; these populations occupy approximately 10 percent of historical habitat. Rio Grande cutthroat trout face a variety of imminent threats, including fragmentation and isolation, small population size, presence of nonnative trout, whirling disease, poor habitat conditions, fire, drought, and the effects of climate change. Because of the range contraction and the imminent threats, we made the Rio Grande cutthroat trout a candidate species on May 14, 2008 (73 FR 27900), indicating that listing of the Rio Grande cutthroat trout was warranted but precluded by higher priority actions. The species was given a listing priority number of 9, indicating a subspecies facing imminent threats of moderate to low magnitude.

Currently, cooperative efforts are in place to restore this subspecies to the Rio Costilla watershed, where much of the habitat for Rio Grande cutthroat trout exists on private land. The CCAA was initiated in order to facilitate conservation and restoration of the Rio Grande cutthroat trout on private lands in New Mexico. Expected conservation benefits for the Rio Grande cutthroat trout from implementation of the conservation measures in this CCAA will be recognized through additional connected populations being maintained over time.

Furthermore, Rio Grande cutthroat trout conservation will be enhanced by providing regulatory assurances under the Act for the participating property owner. There will be a measure of security for the participating landowner in the knowledge that they will not incur additional land use restrictions if the species is listed under the Act. The
