Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Prohibited Species Donation Program.

Form Number(s): None.

OMB Approval Number: 0648-0316.

Type of Request: Regular submission.

Burden Hours: 229.

Number of Respondents: 21.

Average Hours Per Response: 7 minutes (0.12 hours).

Needs and Uses: A prohibited species donation (PSD) program for salmon and halibut was approved by the North Pacific Fishery Management Council (Council) and implemented by the National Marine Fisheries Service (NMFS). This program has effectively reduced regulatory discard of salmon and halibut by allowing fish that would otherwise be discarded to be donated to needy individuals through tax-exempt organizations. The vessels and processing plants participating in the donation program voluntarily retain and process salmon and halibut bycatch. An authorized, tax-exempt, distributor, chosen by NMFS is responsible for monitoring the retention and processing of fish donated by vessels and processors. The authorized distributor

also coordinates the processing, storage, transportation, and distribution of salmon and halibut. The PSD program requires a collection-of-information so that NMFS can monitor the authorized distributors' ability to effectively supervise program participants and ensure that donated fish are properly processed, stored, and distributed.

Affected Public: Not-for-profit institutions; Business or other for-profit organizations; State, Local or Tribal Government.

Frequency: Triennially and on occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, FAX number (202) 395-7285, or David_Rostker@omb.eop.gov.

Dated: March 16, 2005.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau is requesting clearance for the collection of data concerning the HVS. The current clearance expires October 31, 2005. The HVS has been conducted in conjunction with the CPS since 1956 and serves a broad array of data users as described below.

We conduct the HVS interviews with landlords or other knowledgeable people concerning vacant housing units identified in the monthly CPS sample and meeting certain criteria. The HVS provides the only quarterly and annual statistics on rental vacancy rates and home ownership rates for the United States, the four census regions, the 50 states and the District of Columbia, and the 100 largest metropolitan areas (MAs). Private and public sector organizations use these rates extensively to gauge and analyze the housing market with regard to supply, cost, and affordability at various points in time.

In addition, the rental vacancy rate is a component of the index of leading economic indicators published by the Department of Commerce. Policy analysts, program managers, budget analysts, and congressional staff use these data to advise the executive and legislative branches of government with respect to the number and characteristics of units available for occupancy and the suitability of housing initiatives. Several other government agencies use these data on a continuing basis in calculating consumer expenditures for housing as a component of the gross national product; to project mortgage demands; and to measure the adequacy of the supply of rental and homeowner units. In addition, investment firms use the HVS data to analyze market trends and for economic forecasting.

II. Method of Collection

Field representatives collect this HVS information by personal-visit interviews in conjunction with the regular monthly CPS interviewing. We collect HVS data concerning units that are vacant and

intended for year-round occupancy as determined during the CPS interview. Approximately 6,518 units in the CPS sample meet these criteria each month. All interviews are conducted using computer-assisted interviewing.

III. Data

OMB Number: 0607-0179.

Form Number: HVS-600 (Fact Sheet for the Housing Vacancy Survey), CPS-263 (L) (Introductory letter explaining the need for the survey and answering frequently asked questions) and BC-1428RV (Brochure—The U.S. Census Bureau Respects Your Privacy and Keeps Your Personal Information Confidential).

Type of Review: Regular.

Affected Public: Individuals who have knowledge of the vacant sample unit (e.g., landlord, rental agents, neighbors).

Estimated Number of Respondents: 6,518 per month.

Estimated Time Per Response: 3 minutes.

Estimated Total Annual Burden Hours: 3,910 hours.

Estimated Total Annual Cost: The only cost to respondents is that of their time.

Respondents Obligation: Voluntary.

Legal Authority: Title 13, U.S.C., Section 182, and Title 29, U.S.C., Sections 1-9.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for the Office of Management and Budget approval of this information collection; they will also become a matter of public record.
