Title of Collection: AmeriCorps External Reviewer Survey.

OMB Control Number: 3045-0192.

Type of Review: Revision.

Respondents/Affected Public: Individuals.

Total Estimated Number of Annual Responses: 300.

Total Estimated Number of Annual Burden Hours: 75.

Abstract: AmeriCorps seeks to revise the current information collection to update the survey instrument. The External Reviewer Survey is used by individuals who have served as External Reviewers or External Panel Coordinators for AmeriCorps to review grant applications. AmeriCorps uses the collected information to assess and make improvements to its grant competitions. The information is collected electronically. The revisions are intended to make the survey more user-friendly by separating out each component of the question for which responses are sought, increasing the number of response choices, and eliminating inapplicable questions. The information collection will otherwise be used in the same manner as the existing application. The currently approved information collection is due to expire on March 31, 2024. AmeriCorps seeks to continue using the current survey until the revised version is approved by OMB.

Director, Office of Grant Administration.
