

compliance with regulations. MARSSIM, when finalized as Revision 2, will update this multi-agency consensus document. The EPA SAB Staff Office augmented the SAB RAC with subject matter experts to provide advice through the chartered SAB regarding this document.

Technical Contacts: Any technical questions concerning Revision 2 of Multi-Agency Radiation Survey and Site Investigation Manual (MARSSIM) (Draft for Public Comment) should be directed to Kathryn Snead of the U.S. EPA, Office of Radiation and Indoor Air, by email at snead.kathryn@epa.gov.

Availability of Meeting Materials: Prior to the meeting, the agenda and other materials will be accessible through the calendar link on the blue navigation bar at <http://www.epa.gov/sab/>. Materials may also be accessed at the following SAB web page: <https://yosemite.epa.gov/sab/sabproduct.nsf/LookupWebProjectsCurrentBOARD/E1D35FEB397932>

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to the EPA. Interested members of the public may submit relevant information on the topic of this advisory activity, for the group conducting the activity, for the SAB to consider during the advisory process. Input from the public to the SAB will have the most impact if it provides specific scientific or technical information or analysis for SAB committees and panels to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should contact the DFO directly.

Oral Statements: In general, individuals or groups requesting an oral presentation on a public teleconference will be limited to three minutes and an oral presentation at the virtual public review meeting will be limited to five minutes. Interested parties wishing to provide comments should contact Dr. Diana Wong, DFO via email, at the contact information noted above, by November 25, 2020, to be placed on the list of registered speakers for the teleconference and by January 4, 2021, to be placed on the list of registered speakers for the peer review meeting.

Written Statements: Written statements will be accepted throughout the advisory process; however, for timely consideration by Committee/Panel members, statements should be supplied to the DFO via email at the contact information noted above by January 4, 2021, so that the information may be made available to the SAB Panel for their consideration. It is the SAB Staff Office general policy to post written comments on the web page for the advisory meeting or teleconference. Submitters are requested to provide a signed and unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its websites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the SAB website. Copyrighted material will not be posted without explicit permission of the copyright holder.

Accessibility: For information on access or services for individuals with disabilities, please contact Dr. Diana Wong at wong.diana-M@epa.gov. To request accommodation of a disability, please contact Dr. Wong preferably at least ten days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: October 22, 2020.

V. Khanna Johnson,

Deputy Director, EPA Science Advisory Board Staff Office.
