

(k) Apportionments Based Upon a Rail Transit System That Serves Multiple States. As stated above, for a State that is apportioned funds based upon a rail transit system that serves multiple States, apportioned funds pursuant to the Service Tier and the Modal Tier are distinguished by each system within that State. The amounts apportioned based upon a particular system that serves multiple States may only be used for oversight of that system.

6. Award Administration

Upon award, payments to recipients will be made by electronic transfer to the recipient's financial institution through FTA's Electronic Clearing House Operation web-based system (ECHO-Web), an Internet accessible system that provides grantees the capability to submit payment requests on-line. New applicants should contact the appropriate FTA Regional Office to obtain and submit the registration package necessary for set-up under ECHO-Web.

Grantees must submit a quarterly Federal Financial Report and Milestone Progress Report in TEAM-Web consistent with the most current version of FTA Circular 5010, "Grants Management Guidelines," as well as any other reporting requirements FTA determines necessary. When applicable, FTA will review the quarterly reports to assess consistency with the SSOP work plans approved by FTA.

FTA is responsible for conducting oversight activities to confirm grant recipients are using Federal financial assistance in a manner consistent with their intended purpose and in compliance with regulatory and statutory requirements. FTA conducts periodic oversight reviews to assess grantee compliance and will similarly, or in conjunction with other oversight reviews, conduct oversight reviews and audits of the operations of each SSOA at least once triennially as required under 49 U.S.C. 5329(e)(9).

Therese W. McMillan,
Deputy Administrator.

Fiscal Service

Surety Companies Acceptable on Federal Bonds: Change in State of Incorporation; Bond Safeguard Insurance Company; Correction

AGENCY: Bureau of the Fiscal Service, Fiscal Service, Department of the Treasury.

ACTION: Notice; Correction.

SUMMARY: The Fiscal Service published in the **Federal Register** of February 25, 2014, 79 FR 10624, Supplement No. 4 to Treasury Department Circular 570, 2013 Revision.

Supplement No. 4 provided notice that BOND SAFEGUARD INSURANCE COMPANY had redomesticated from the state of Illinois to the state of South Dakota effective December 9, 2013, and that Federal bond-approving officials should annotate their reference copies of the Treasury Department Circular 570, 2013 Revision, to reflect this change. This notice information was correctly stated in the first paragraph of the Supplementary Information section.

Supplement No. 4 provided incorrect notice information in the second paragraph of the **SUPPLEMENTARY INFORMATION** section. The second paragraph stated: "With respect to any bonds currently in force with this company, bond-approving officers may let such bonds run to expiration and need not secure new bonds. However, no new bonds should be accepted from this company and bonds that are continuous in nature should not be renewed." Supplement No. 4 is being corrected to delete this second paragraph because it only applies (and should only be included in notices) when a surety has been removed or terminated from Treasury Circular 570, which is not the case here. BOND SAFEGUARD INSURANCE COMPANY is and continues to be an acceptable surety on Federal bonds which meets Treasury Circular 570 requirements.

FOR FURTHER INFORMATION CONTACT: Surety Bond Branch at (202) 874-6850.

Correction

In the **Federal Register** of February 25, 2014, in FR Doc. 2014-03915, on page 10624, in the first column, delete the paragraph reading: "With respect to any bonds currently in force with this company, bond-approving officers may let such bonds run to expiration and need not secure new bonds. However, no new bonds should be accepted from this company and bonds that are continuous in nature should not be renewed."

Dated: February 27, 2014.

Manager, Financial Accounting and Services Branch, Bureau of the Fiscal Service.
