

interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days (or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest) from the date on which it was filed, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. NASD has requested that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii),¹⁴ because (1) the public interest is furthered and the protection of investors is enhanced by increasing transparency in the "Baa/BBB"-rated segment of the corporate bond market; (2) NASD briefly deferred the dissemination of "Baa/BBB"-rated TRACE-eligible securities in order to designate a representative group of such securities; and (3) for the convenience of investors, broker-dealers, other market participants, and NASD, NASD will initiate the dissemination of all the "Baa/BBB"-rated corporate bonds approved for dissemination on the same date, which will occur as soon as possible after the filing of this rule filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Acceleration of the operative date will permit NASD to expand dissemination of "Baa/BBB"-rated corporate bonds immediately. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the

Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁶

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of NASD. All submissions should refer to file number SR-NASD-2003-41 and should be submitted by April 21, 2003.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

OneChicago has prepared statements concerning the purpose of, and basis for, the proposed rule change, burdens on competition, and comments received from members, participants, and others. The text of these statements may be examined at the places specified in item IV below. These statements are set forth in sections A, B, and C below.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

OneChicago proposes to amend OneChicago rules 414(a) and 902(f) relating to position limits to reference CFTC Regulation 41.25.⁵ The proposed rule change would permit OneChicago to set position limits on futures on a single security consistent with CFTC Regulation 41.25.⁶

2. Statutory Basis

OneChicago believes that the proposed rule change is consistent with CFTC Regulation 41.25⁷ and with section 6(b)(5) of the Act⁸ in that it promotes competition, is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

OneChicago does not believe that the proposed rule change will have an impact on competition because the proposed rule change is referencing a CFTC Regulation, which is applicable to all security futures participants equally.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Comments on the proposed rule change have not been solicited nor have any comments been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective on February 11, 2003. Within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the

CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of section 19(b)(1) of the Act.⁹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change conflicts with the Act. Persons making written submissions should file nine copies of the submission with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments also may be submitted electronically to the following e-mail address: rule-comments@sec.gov. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of these filings also will be available for inspection and copying at the principal office of OneChicago. Electronically submitted comments will be posted on the Commission's Internet website (<http://www.sec.gov>). All submissions should refer to File No. SR-OC-2003-03 and should be submitted by April 21, 2003.
