SUPPLEMENTARY INFORMATION: Tedesco Trust is a noncarrier, which directly controls Academy Bus Tours, Inc. (MC-165004) and Academy Lines, Inc. (MC-106207), and which, through Franmar, controls Academy Bus Tours, Inc. (PA) (MC-215354), Academy Express, Inc. (MC-228481), Commuter Bus Line, Inc. (MC-162133), and No. 22 Hillside Corp. (MC-182453). The six carriers controlled directly or indirectly by Tedesco Trust (which include the four carriers controlled by Franmar) provide either local commuter bus service and other regular-route service or conduct special or charter operations, or a combination of both. Collectively, these carriers operate between New York, NY, and various points in New Jersey and Pennsylvania.

Franmar also controls Consolidated, a noncarrier, which is proposing to acquire the property of Funaway, including its operating authority. Funaway holds federally issued operating authority in Docket No. MC-174942 authorizing it to provide regular-route service between New York, NY, and Atlantic City, NJ, and to conduct special and charter operations. Funaway also holds New York intrastate authority to conduct special and charter operations.

Under 49 U.S.C. 14303(b), we must approve and authorize a transaction we find consistent with the public interest, taking into consideration at least: (1) The effect of the transaction on the adequacy of transportation to the public; (2) the total fixed charges that result; and (3) the interest of affected carrier employees.

Applicants have submitted the information required by 49 CFR 1182.2 to demonstrate that the proposed acquisition of control is consistent with the public interest under 49 U.S.C. 14303(b). Applicants state that the proposed transaction will have a positive effect on the adequacy of transportation to the public and will result in no increase in fixed charges, or adversely impact the interests of the employees. See 49 CFR 1182.2(a)(7). Additional information may be obtained from the applicants' representative.

On the basis of the application, we find that the proposed acquisition of control is consistent with the public interest and should be authorized. If any opposing comments are timely filed, this finding will be deemed vacated and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR

1182.6(c). If no opposing comments are filed by the expiration of the comment period, this decision will take effect automatically and will be the final Board action.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The proposed acquisition of control is approved and authorized, subject to the filing of opposing comments.

2. If timely opposing comments are filed, the findings made in this decision will be deemed as having been vacated.

3. This decision will be effective on May 1, 2000, unless timely opposing comments are filed.

4. A copy of this notice will be served on: (1) The U.S. Department of Transportation, Federal Motor Carrier Safety Administration—HMCE-20, 400 Virginia Avenue, S.W., Suite 600, Washington, DC 20024; (2) the U.S. Department of Justice, Antitrust Division, 10th Street & Pennsylvania Avenue, N.W., Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 400 7th Street, S.W., Washington, DC 20590.

Decided: March 6, 2000.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams,

Secretary.

SUPPLEMENTARY INFORMATION:

Background

In Treasury Decisions 95-77 and 95-78 published in the **Federal Register** on September 27, 1995, at 60 FR 50008 and 60 FR 50020, respectively, Customs amended its regulations to reflect its new organizational structure. Concerning this reorganization, Customs pointed out that, although the concepts of districts and regions would, for the most part, be eliminated, they would still exist for certain limited purposes concerning customs broker permits and cartage and lighterage licensing. In addition, in the same issue of the **Federal Register** Customs published a general notice (60 FR 49971) that informed the public of the geographic areas covered for purposes of those customs broker permit and cartage and lighterage licensing purposes where the word "district" appears in the Customs Regulations. This document republishes the information contained in that 1995 notice.

In the table set forth below, which is arranged alphabetically by State or other geographic location, each of the service ports listed in the left column represents a "district" for purposes of §§ 111.1 and 112.1 of the Customs Regulations (19 CFR 111.1 and 112.1), and the ports of entry listed to the right of each service port represent the ports within that "district."
