

Abstract: The data collection under this request are governed by Section 304.1–304.32 of the December 9, 1999 regulations that implement section 673(h) of the IDEA amendments of 1997 which requires that individuals who receive a scholarship through the Personnel Preparation Program funded under the Act subsequently provide special education and related services to children with disabilities for a period of two years for every year for which assistance was received. Scholarship recipients who do not satisfy the requirements of the regulations must repay all or part of the cost of assistance in accordance with regulations issued by the Secretary. These regulations implement requirements governing among other things, the service obligation for scholars, oversight by grantees, and repayment of scholarship. In order for the Federal government to ensure the goals of the program are achieved, certain data collection, record keeping, and documentation are necessary.
