

enforcement period via the Local Notice to Mariners.

If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this notice, a Marine Information Bulletin may be used to grant general permission to enter the regulated area.

Dated: June 21, 2023.

Jordan M. Baldueza,

Captain, U.S. Coast Guard, Alternate Captain of the Port San Francisco.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2023–0483]

RIN 1625–AA00

Safety Zone; Redwood City Fourth of July Fireworks; Redwood Creek, Redwood City, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the Redwood Creek in Redwood City, CA in support of a fireworks display on July 4, 2023. The safety zone is necessary to protect personnel, vessels, and the marine environment from potential hazards created by pyrotechnics. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zone without the permission of the Captain of the Port San Francisco or a designated representative.

DATES: This rule is effective from 9 a.m. July 3, 2023, until 10:20 p.m. July 4, 2023.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2023–0483 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer First Class Shannon Curtaz-Milian, U.S. Coast Guard, Sector San Francisco, at 415–399–7440, SFWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard did not receive final details for this event until June 12, 2023. It is impracticable to go through the full notice and comment rule making process because the Coast Guard must establish this safety zone by July 3, 2023, and lacks sufficient time to provide a reasonable comment period and to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to public interest because action is necessary to protect personnel, vessels, and the marine environment from the potential safety hazards associated with the fireworks display on Redwood Creek in Redwood City, CA on July 4, 2023.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port San Francisco has determined that potential hazards associated with the Redwood City Fourth of July Fireworks will be a safety concern for anyone within a 100-foot radius of the fireworks vessel during loading and staging on July 3, 2023, and anyone within a 850-foot radius of the fireworks vessel starting 30 minutes before the fireworks display is scheduled to commence and ending 30 minutes after the conclusion of the fireworks display on July 4, 2023. For this reason, this temporary safety zone is needed to protect personnel, vessels,

and the marine environment in the navigable waters around the fireworks vessel and during the fireworks display.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 9 a.m. on July 3, 2023, until 10:20 p.m. on July 4, 2023, during the loading, staging, and transit of the fireworks vessel in San Francisco Bay from Pier 50 to Redwood Creek, Redwood City, CA, and until 30 minutes after completion of the fireworks display. During the loading, staging, and transit of the fireworks vessel, scheduled to take place between 9 a.m. on July 3, 2023, until 9 p.m. on July 4, 2023, until 30 minutes prior to the start of the fireworks display, the safety zone will encompass the navigable waters around and under the fireworks vessel, from surface to bottom, within a circle formed by connection of all points 100 feet out from the fireworks vessel. The fireworks display is scheduled to start from 9:30 p.m. and end at approximately 9:50 p.m. on July 4, 2023, on Redwood Creek in Redwood City, CA.

The fireworks vessel will remain at Pier 50 until the start of its transit to the display location. Movement of the vessel from Pier 50 to the display location is scheduled to take place from 3 p.m. to 7 p.m. on July 4, 2023, where it will remain until the conclusion of the fireworks display.

At 9 p.m. on July 4, 2023, 30 minutes prior to the commencement of the 20-minute fireworks display, the safety zone will increase in size and encompass the navigable waters around and under the fireworks vessel, from surface to bottom, within a circle formed by all connecting points 850 feet from the circle center at approximate position 37°30′28.48″ N, 122°12′51.53″ W (NAD 83). The safety zone will terminate at 10:20 p.m. on July 4, 2023, or as announced via Broadcast Notice to Mariners.

This regulation is necessary to keep persons and vessels away from the immediate vicinity of the fireworks loading, staging, transit, and display site. Except for persons or vessels authorized by the COTP or the COTP’s designated representative, no person or vessel may enter or remain in the restricted area. A “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel, or a Federal, State, or local officer designated by or assisting the Captain of the Port San Francisco (COTP) in the enforcement of the safety zone. This regulation is necessary to ensure the

safety of participants, spectators, and transiting vessels.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the limited duration and narrowly tailored geographic area of the safety zone. Although this rule restricts access to the waters encompassed by the safety zone, the effect of this rule will not be significant because the local waterways users will be notified to ensure the safety zone will result in minimum impact. The vessels desiring to transit through or around the temporary safety zone may do so upon express permission from the COTP or the COTP’s designated representative.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business,

organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule

will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone in the navigable waters around the loading, staging, transit, and display of fireworks near Pier 50 in San Francisco Bay and on Redwood Creek in Redwood City. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T11–132 to read as follows:

§ 165.T11–132 Safety Zone; Redwood City Fourth of July Fireworks; Redwood Creek, Redwood City, CA.

(a) *Location.* The following area is a safety zone: all navigable waters of San Francisco Bay, from surface to bottom, within a circle formed by connecting all points 100 feet out from the fireworks vessel during loading and staging at Pier 50 in San Francisco, CA as well as transit and arrival to Redwood Creek, Redwood City, CA. Between 9 p.m. and 10:20 p.m. on July 4, 2023, the safety zone will expand to all navigable waters, from surface to bottom, within a circle formed by connecting all points 850 feet out from the fireworks vessel in approximate position 37°30′28.48″ N 122°12′51.53″ W (NAD 83) or as announced via Broadcast Notice to Mariners.

(b) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel, or a Federal, State, or Local officer designated by or assisting the Captain of the Port San Francisco (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP’s designated representative.

(2) The safety zone is closed to all vessel traffic, except as may be permitted by the COTP or the COTP’s designated representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the COTP or the COTP’s designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP’s designated representative. Persons and vessels may request permission to enter the safety zone on VHF–23A or through the 24-hour Command Center at telephone (415) 399–3547.

(d) *Enforcement period.* This section will be enforced from 9 a.m. on July 3, 2023, until 10:20 p.m. on July 4, 2023.

(e) *Information broadcasts.* The COTP or the COTP’s designated representative will notify the maritime community of periods during which this zone will be enforced, in accordance with 33 CFR 165.7.

Dated: June 21, 2023.

Jordan M. Balduenza,
Captain, U.S. Coast Guard, Alternate Captain of the Port, San Francisco.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2023–0478]

Safety Zones; Recurring Events in Captain of the Port Duluth—LaPointe Fireworks

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the safety zone for the LaPointe Fireworks in LaPointe, WI from 9:30 p.m. through 10:30 p.m. This action is necessary to protect participants and spectators during the LaPointe Fireworks taking place in the North Channel off LaPointe. During the enforcement period, entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or designated on-scene representative.

DATES: The regulations in 33 CFR 165.943(b) will be enforced from 9:30 p.m. through 10:30 p.m. on July 04, 2023, for the LaPointe Fireworks safety zone, § 165.943 Table 1(6).

FOR FURTHER INFORMATION CONTACT: If you have questions on this document, call or email LT Joe McGinnis, telephone (218) 725–3818, email DuluthWWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone for the annual LaPointe Fireworks in 33 CFR 165.94 Table 1(6) from 9:30 p.m. through 10:30 p.m. on July 04, 2023, on all waters of Lake Superior bounded by the arc of a circle with a 1,120-foot radius from the fireworks launch site with its center in position 46°46′40″ N, 090°47′22″ W.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or their designated on-scene representative. The Captain of the Port’s designated on-scene representative may be contacted via VHF Channel 16.

This document is issued under authority of 33 CFR 165.943 and 5 U.S.C. 552 (a). In addition to this

publication in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of the enforcement of this safety zone via Broadcast Notice to Mariners.

Dated: June 23, 2023.

J.M. DeWitz,
Commander, U.S. Coast Guard, Captain of the Port Duluth.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA–R07–OAR–2023–0214; FRL–10875–02–R7]

Air Plan Approval; State of Missouri; Confidential Information

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to approve a revision to the State Implementation Plan (SIP) for the State of Missouri. This final action will amend the SIP to approve a revision submitted by the State of Missouri on September 20, 2022, to the existing state rule, “Confidential Information.” These revisions include structural, formatting and other text changes that are administrative in nature and do not impact the stringency of the SIP or air quality. The EPA’s approval of this rule revision is in accordance with the requirements of the Clean Air Act (CAA).

DATES: This final rule is effective on July 31, 2023.

ADDRESSES: The EPA has established a docket for this action under Docket ID No. EPA–R07–OAR–2023–0214. All documents in the docket are listed on the www.regulations.gov website. Although listed in the index, some information is not publicly available, *i.e.*, CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available through www.regulations.gov or please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section for additional information.
