

margin for Interpipe for the POR, July 1, 2021, through June 30, 2022:

Exporter or producer	Weighted-average dumping margin (percent)
Interpipe Europe S.A./Interpipe Ukraine LLC/PJSC Interpipe Niznedneprovsky Tube Rolling Plant/LLC Interpipe Niko Tube	4.89

### Disclosure

Normally, Commerce will disclose the calculations performed in connection with the final results of a review to interested parties within five days of the date of publication of the notice of final results in the **Federal Register**.<sup>6</sup> However, because Commerce made no change to the preliminary weighted-average dumping margin calculation for Interpipe, there are no calculations to disclose.

### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review.<sup>7</sup> For Interpipe, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer's examined sales and the total entered value of the sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation.

Consistent with Commerce's assessment practice, for entries of subject merchandise during the POR produced by Interpipe for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>8</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this

review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Interpipe will be equal to the weighted-average dumping margin established in these final results; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review or in a prior segment of the proceeding, but the producer was covered, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 7.47 percent established in the less-than-fair-value investigation.<sup>9</sup>

These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment

of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

### Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: December 14, 2023.

**SUPPLEMENTARY INFORMATION:****Background**

On June 26, 2023, Commerce published the *Preliminary Results* and invited interested parties to comment.<sup>1</sup> This review covers two respondents: Nan Ya Plastics Corporation (Nan Ya); and Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC). On July 26, 2023, we received a case brief from DuPont Teijin Films, Mitsubishi Chemical America, Inc.—Polyester Film Division, and SK Microworks America, Inc. (collectively, the petitioners).<sup>2</sup> On August 2, 2023, we received a rebuttal brief from Nan Ya.<sup>3</sup> On October 23, 2023, we extended the deadline for these final results to December 14, 2023.<sup>4</sup> For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>5</sup>

**Scope of the Order**<sup>6</sup>

The products covered by this *Order* are polyethylene terephthalate film, sheet, and strip (PET film) from Taiwan. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.

**Analysis of Comments Received**

We address the issue raised in the case and rebuttal briefs in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is included in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). **Final Determination of No Shipments**

In the *Preliminary Results*, Commerce determined that SMTC and its affiliate SSFC had no shipments of PET film during the POR, based on a response of the U.S. Customs and Border Protection (CBP) to Commerce's no-shipment inquiry, as well as certifications and supporting documentation provided by SMTC/SSFC.<sup>7</sup> We received no comments from any interested party on our preliminary finding. As there is no information on the record that calls into question the finding in the *Preliminary Results*, we continue to find in the final results of this review that SMTC/SSFC had no shipments of subject merchandise during the POR.

**Final Results of Review**

As a result of this review, Commerce determines that the following weighted-average dumping margin exists for the period July 1, 2021, through June 30, 2022:

Producer/exporter	Weighted-average dumping margin (percent)
Nan Ya Plastics Corporation .....	0.00

**Disclosure and Public Comment**

Commerce intends to disclose the calculations performed in connection with these final results of review to interested parties within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Pursuant to section 751(a)(2) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. Because we calculated a zero percent margin in the final results of this review for Nan Ya, in accordance with 19 CFR 351.212 we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. In addition, as Commerce continues to find that SMTC/SSFC did not have any

<sup>7</sup> For a full discussion of this determination, see *Preliminary Results* PDM.

shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries of subject merchandise associated with SMTC/SSFC at the all-others rate.

Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Nan Ya will be zero, the rate established in the final results of this review; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company specific rate published for the most recent period; (3) if the exporter is not a firm covered in this or any previous review or in the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the LTFV investigation, the cash deposit rate will continue to be the all-others rate of 2.40 percent, which is the all-others rate established by Commerce in the LTFV investigation.<sup>8</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties

<sup>8</sup> See *Order*.

occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

### Notification to Interested Parties

These results are being issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 3, 2023, Commerce published in the **Federal Register** the *Preliminary Determination* in this LTFV investigation.<sup>1</sup> Commerce invited parties to comment on the *Preliminary Determination*.<sup>2</sup>

For a complete description of the events that occurred since the *Preliminary Determination*, see the Issues and Decision Memorandum.<sup>3</sup> The Issues and Decision Memorandum is a public document and is made available to the public electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ##### Scope of the Investigation

The products covered by this investigation are pressure washers from China. For a complete description of the scope of this investigation, see Appendix I.

##### Scope Comments

During this LTFV investigation, Commerce received scope comments from interested parties. Commerce issued a Preliminary Scope Memorandum to address the comments and set aside a period of time for parties to address scope issues in scope-specific

case and rebuttal briefs.<sup>4</sup> We received comments from interested parties on the Preliminary Scope Memorandum, which we addressed in the Final Scope Memorandum.<sup>5</sup> We did not make any changes to the scope of the investigation from the scope published in the *Preliminary Determination*, as provided in Appendix I.

##### Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this investigation are addressed in the Issues and Decision Memorandum and are listed in Appendix II of this notice.

##### Final Affirmative Determination of Critical Circumstances

For the *Preliminary Determination*, in accordance with section 733(e)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.206(c)(1), Commerce preliminarily found that critical circumstances exist with respect to imports of pressure washers exported by Jiangu Jianghuai Engine Co., Ltd. (JD Power) and the China-wide entity.<sup>6</sup>

No parties submitted comments regarding this finding. Thus, our determination of critical circumstances is unchanged for the final determination. Accordingly, pursuant to section 735(a)(3)(B) of the Act and 19 CFR 351.206, we continue to find that critical circumstances exist for JD Power and the China-wide entity.

Regarding the companies receiving a separate rate, we preliminarily found that critical circumstances do not exist.<sup>7</sup> For the final determination, we continue to find that the variance of shipments between the base and comparison period is explained by seasonal trends and, therefore, consistent with our practice,<sup>8</sup> we continue to find that critical circumstances do not exist regarding the separate rate companies.

##### Verification

Commerce was unable to conduct an on-site verification of the information relied upon in making its final determination. However, from August 20 through 22, 2023, we took additional steps, in lieu of an on-site verification to verify the information relied upon in
