SUPPLEMENTARY INFORMATION:

Title and OMB Number: EAC Federal Financial Report; 87 FR 780 (Page 780–781, Document Number 2021–27861)

Purpose

This proposed information collection was previously published in the **Federal Register** on January 6, 2022 and allowed 60 days for public comment. In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. The purpose of this notice is to allow an additional 30 days for public comment

from all interested individuals and organizations.

The EAC Office of Grants Management (EAC/OGM) is responsible for distributing, monitoring, and providing technical assistance to states and grantees on the use of federal funds. EAC/OGM also reports on how the funds are spent to Congress, negotiates indirect cost rates with grantees, and resolves audit findings on the use of HAVA funds.

The EAC–FFR is employed for all financial reports for grants issued under HAVA authority. This revised format builds upon that report for the various grant awards given by EAC. A “For Comment” version of the draft format for use in submission of the FFR is posted on the EAC website at: <https://www.eac.gov/payments-and-grants/reporting>. The FFR will directly benefit award recipients by making it easier for them to administer federal grant and cooperative agreement programs through standardization of the types of information required in financial reporting—thereby reducing their administrative effort and costs.

Public Comments

We are soliciting public comments to permit the EAC to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Office of Grants Management.
- Evaluate the accuracy of our estimate of burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

OMB approval is requested for 3 years.

Respondents: All EAC grantees.
