OMB Control Number: 0579-0196.

Summary of Collection: The Secretary of Agriculture is responsible for ensuring consumers that food and farm products are moved from producer to consumer in the most efficient, dependable, economical, and equitable system possible. 5 CFR part 339 authorizes an agency to obtain medical information about the applicant's health status to assist management in making employment decisions concerning positions that have specific medical standards or physical requirements in order to determine medical/physical fitness. The Animal and Plant Health Inspection Service (APHIS) of the U.S. Department of Agriculture hires individuals each year in commodity grading and inspection positions.
