II. Request for Nominations for Membership on ACCSH

The Assistant Secretary of Labor for Occupational Safety and Health (OSHA Assistant Secretary) invites interested persons to submit nominations for membership on ACCSH.

Background: ACCSH is a continuing advisory committee established under Section 107(e) of the CSA to advise the Secretary of Labor (Secretary) in the formulation of construction safety and health standards, as well as on policy matters arising under the CSA and the OSH Act. In particular, 29 CFR 1911.10(a) and 1912.3(a) provide that the Assistant Secretary shall consult with ACCSH whenever the Agency proposes any safety or health standard that affects the construction industry.

ACCSH operates in accordance with the CSA, the OSH Act, the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), and regulations issued pursuant to those statutes (29 CFR part 1912, 41 CFR part 102–3). ACCSH generally meets two to four times a year.

ACCSH membership: ACCSH consists of 15 members whom the Secretary appoints. ACCSH members generally serve staggered two-year terms, unless they resign, cease to be qualified, become unable to serve, or the Secretary removes them (29 CFR 1912.3(e)). The Secretary may appoint ACCSH members to successive terms. No member of ACCSH, other than members who represent employers or employees, shall have an economic interest in any proposed rule that affects the construction industry (29 CFR 1912.6).

The categories of ACCSH membership, and the number of new members to be appointed to replace members whose terms have expired, are:

- Five members who are qualified by experience and affiliation to present the viewpoint of employers in the construction industry—two employer representatives will be appointed;

- Five members who are similarly qualified to present the viewpoint of employees in the construction industry—two employee representatives will be appointed;

- Two representatives of State safety and health agencies—one representative from a State safety and health agency will be appointed;

- Two public members, qualified by knowledge and experience to make a useful contribution to the work of ACCSH, such as those who have professional or technical experience and competence with occupational safety and health in the construction industry—one public representative will be appointed; and

- One representative designated by the Secretary of the Department of Health and Human Services and appointed by the Secretary—no new appointment will be made.

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse ACCSH membership. Any interested person or organization may nominate one or more individuals for membership on ACCSH. Interested persons also are invited and encouraged to submit statements in support of nominees.

Submission requirements: Nominations must include the following information:

- Nominee's contact information and current employment or position;
- Nominee's résumé or curriculum vitae, including prior membership on ACCSH and other relevant organizations and associations;
- Category of membership (employer, employee, public, State safety and health agency) that the nominee is qualified to represent;
- A summary of the background, experience, and qualifications that addresses the nominee's suitability for each of the nominated membership categories;
- Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience, and expertise in occupational safety and health, particularly as it pertains to the construction industry; and
- A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in ACCSH meetings, and has no conflicts of interest that would preclude membership on ACCSH.

Member selection: The Secretary will select ACCSH members on the basis of their experience, knowledge, and competence in the field of occupational safety and health, particularly as it pertains to the construction industry.

Information received through this nomination process, in addition to other relevant sources of information, will assist the Secretary in appointing members to ACCSH. In selecting ACCSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

Instructions for submitting nominations: All nominations, supporting documents, attachments, and other materials must identify the Agency name and the docket number for this **Federal Register** notice (Docket No. OSHA–2013–0006). Submit materials electronically, by FAX, or by hard copy. You may supplement electronic submissions by attaching electronic files. If you supplement electronic submissions with hard-copy documents, submit the hard copy documents to the OSHA Docket Office and clearly identify the electronic submission by Agency name and docket number (Docket No. OSHA–2013–0006) so the Docket Office can attach the hard-copy documents to the appropriate electronic submission.

The OSHA Docket Office will post all submissions, including personal information provided, in the docket without change. Therefore, OSHA cautions interested parties about submitting personal information such as Social Security numbers and birthdates. Guidance on submitting nominations and supporting materials is available on-line at <http://www.regulations.gov> and from the OSHA Docket Office.

Access to docket: The <http://www.regulations.gov> index lists all submissions provided in response to this **Federal Register** notice; however, some information (e.g., copyrighted material) is not publicly available to read or download from that Web page.
