DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

November 10, 2020.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by December 16, 2020 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Food and Nutrition Service

Title: FNS Information Collection Needs Due to COVID-19.

OMB Control Number: 0584-0654.

Summary of Collection: As the Food and Nutrition Service (FNS) is responding to the COVID-19 Coronavirus pandemic (The Families First Coronavirus Recovery Act of 2020 (Pub. Forest Service

Forest Service Manual (FSM) 3800, Zero Code; State and Private Forestry Landscape Scale Restoration Program

AGENCY: Forest Service, USDA.

ACTION: Notice of availability for public comment.

SUMMARY: The U.S. Department of Agriculture (USDA), United States Forest Service (Agency), is issuing a proposed directive for the Agency's State and Private Forestry Landscape Scale Restoration (LSR) Program. The Landscape Scale Restoration Program (LSR) is a USDA, Forest Service State and Private Forestry (S&PF) competitive grant program that promotes

collaborative, science-based restoration of priority forest landscapes.

DATES: Comments must be received, in writing, on or before December 16, 2020.

ADDRESSES: Comments may be submitted electronically to <https://cara.ecosystem-management.org/Public/CommentInput?project=ORMS-2600>. Written comments may be mailed to Steven Koehn, Director of Cooperative Forestry, State and Private Forestry, 1400 Independence Avenue SW, Washington, DC 20250-1124. All timely received comments, including names and addresses, will be placed in the record and will be available for public inspection and copying. The public may inspect comments received at <https://cara.ecosystem-management.org/Public/ReadingRoom?project=ORMS-2600>.

FOR FURTHER INFORMATION CONTACT:

Margaret Haines, State and Private Forestry, National Program Specialist, 201 14th Street SW, Washington, DC 20250 (email: margaret.haines@usda.gov; phone: 202-384-7192). Additional information about the Landscape Scale Restoration Program may be obtained on the internet at <https://www.fs.usda.gov/managing-land/private-land/landscape-scale-restoration>.

Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8:00 a.m. and 8:00 p.m., Eastern Standard Time, Monday through Friday.

SUPPLEMENTARY INFORMATION: This proposed directive would set forth direction for the State and Private Forestry Landscape Scale Restoration Program and would implement State and Private Forestry (S&PF) Landscape Scale Restoration (LSR) Program as added by section 8102 of the Agriculture Improvement Act of 2018 (Pub. L. 115-334 (December 20, 2018)).

This manual is a new addition to the 3000 State and Private Forestry series and sets forth policy, responsibilities, and programmatic direction for the Landscape Scale Restoration Program. The Forest Service is seeking public comment on all content within the proposed manual. Comment is also invited on the sufficiency of the proposed manual in meeting its stated objectives, ways to enhance the utility and clarity of information within the

manual, or ways to streamline processes outlined in the text.

Forest Service National Environmental Policy Act (NEPA) procedures exclude from documentation in an environmental assessment or impact statement “rules, regulations, or policies to establish servicewide administrative procedures, program processes, or instructions.” 36 CFR 220.6(d)(2). The Agency’s conclusion is that these proposed directives fall within this category of actions and that no extraordinary circumstances exist as currently defined that require preparation of an environmental assessment or an environmental impact statement.

The Forest Service has also determined that the changes to the manual formulate standards, criterion, or guidelines applicable to a Forest Service program and are therefore publishing the proposed manual for public comment in accordance with 36 CFR part 216. The Forest Service is seeking public comment on the proposed directives, including the sufficiency of the proposed directives in meeting its stated objectives, ways to enhance the utility and clarity of information within the direction, or ways to streamline processes outlined.

After the public comment period closes, the Forest Service will consider timely comments that are within the scope of the proposed directives in the development of the final directives. A notice of the final directive, including a response to timely comments, will be posted on the Forest Service’s web page at <https://www.fs.usda.gov/about-agency/regulations-policies>.

John Crockett,

Associate Deputy Chief, State and Private Forestry.

Foreign-Trade Zones Board

[B–68–2020]

Foreign-Trade Zone (FTZ) 279—Houma, Louisiana; Notification of Proposed Production Activity; Deepwater Riser Services (Offshore Drilling Riser Systems and Equipment), Houma, Louisiana

Deepwater Riser Services (Deepwater Riser) submitted a notification of proposed production activity to the FTZ Board for its facility in Houma, Louisiana. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on October 22, 2020.

The Deepwater Riser facility is located within FTZ 279. The facility will be used for the production of offshore drilling riser systems and drilling-related equipment. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Deepwater Riser from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Deepwater Riser would be able to choose the duty rates during customs entry procedures that apply to riser tools, drilling risers, telescopic joints, and pressure testing equipment (duty-free). Deepwater Riser would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include: Drill riser
