**BILLING CODE P****DEPARTMENT OF ENERGY****Federal Energy Regulatory Commission**

[Docket No. CP21-24-000]

**Breitbart Operating L.P.; Notice of Application and Establishing Intervention Deadline**

Take notice that on January 7, 2021, Breitbart Operating L.P. (Breitbart), 1111 Bagby Street, Suite 1600, Houston, Texas 77002, filed in the above referenced docket an application pursuant to section 7(b) of the Natural Gas Act (NGA) and Part 157 of the Commission’s regulations to abandon the limited jurisdiction certificate issued on November 14, 2008 in Docket No. CP08-473-000. Specifically, Breitbart request to abandon the operation of 8.3-mile, 12-inch diameter pipeline located in Meade County, Kentucky (Cardinal Line). The Cardinal Line is not currently delivering natural gas to Texas Gas Transmission, LLC (Texas Gas), and upon receiving the authorization requested, Breitbart will disconnect the Cardinal Line from its interconnect with Texas Gas and transfer the inactive Cardinal Line to Nucor Corporation (Nucor) to be used in the future by Nucor or a successor entity to provide natural gas supply to Nucor’s steel mill, which is currently under development. The Cardinal Line does not transport third-party gas, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Pursuant to section 157.9 of the Commission’s Rules of Practice and Procedure,<sup>1</sup> within 90 days of this Notice the Commission staff will either: Complete its environmental review and place it into the Commission’s public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff’s issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission’s public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff’s FEIS or EA.

**Public Participation**

There are two ways to become involved in the Commission’s review of this project: You can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on February 11, 2021.

### Interventions

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,<sup>3</sup> has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>4</sup> and the regulations under the NGA<sup>5</sup> by the intervention deadline for the project, which is February 11, 2021. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations. A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.
