

video conferencing on April 20, 2021. Requests to appear at the conference should be emailed to preliminaryconferences@usitc.gov (DO NOT FILE ON EDIS) on or before April 16, 2021. Please provide an email address for each conference participant in the email. Information on conference procedures will be provided separately and guidance on joining the video conference will be available on the Commission's Daily Calendar. A nonparty who has testimony that may aid the Commission's deliberations may request permission to participate by submitting a short statement.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Written submissions.—As provided in §§ 201.8 and 207.15 of the Commission's rules, any person may submit to the Commission on or before April 23, 2021, a written brief containing information and arguments pertinent to the subject matter of the investigations. Parties shall file written testimony and supplementary material in connection with their presentation at the conference no later than noon on April 19, 2021. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Certification.—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these investigations must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that any information

that it submits to the Commission during these investigations may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of these or related investigations or reviews, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.12 of the Commission's rules.

By order of the Commission.

Issued: March 31, 2021.

Lisa Barton,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Amendment to Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On March 30, 2021, the Department of Justice lodged a proposed amendment to a Consent Decree with the United States District Court for the Eastern District of Virginia in *United States v. Reynolds Metals Company, et al.*, Civil Case No. 3:97-cv-00226 (E.D. Va.).

The original Consent Decree was entered on November 5, 1997, and resolved civil claims under the Comprehensive Environmental Response, Compensation, and Liability Act at the HH, Inc. Superfund site ("Site"). The Consent Decree, as amended, required reimbursement of costs incurred by the EPA and the United States Department of Justice for response actions at the Site by the Original Settling Parties, as well as performance of studies and response work at the site consistent with the National Contingency Plan, 40 CFR part 300 (as amended) ("NCP").

The parties to the Consent Decree have agreed to certain modifications set forth in an amendment to the Decree. The amendment provides for the incorporation of EPA's Record of Decision Amendment relating to the

Site signed on May 26, 2020 ("2020 ROD Amendment"), which modifies the groundwater portion of the Selected Remedy at the Site. Previously, a High Vacuum Extraction ("HVE") system was used to extract and treat groundwater at the Site. In 2011, with EPA approval, the system was shut down due to diminishing containment recovery rates. The modified Selected Remedy replaces the HVE system with Enhanced Bioremediation (EB), a system which EPA has determined is both more cost-effective and will take a shorter amount of time to extract contaminants from the groundwater.

The publication of this notice opens a period for public comment on the proposed modifications to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Reynolds Metals Company, et al.*, DJ# 90-11-3-1408, Civil Case No. 3:97-cv-00226 (E.D. Va.). All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
