[Docket No. CP23–507–000]

Equitrans, L.P.; Notice of Application and Establishing Intervention Deadline

Take notice that on June 30, 2023, Equitrans, L.P. (Equitrans), 2200 Energy Drive, Canonsburg, Pennsylvania 15317, filed an application under sections 7(b) and 7(c), of the Natural Gas Act (NGA), and part 157 of the Commission's regulations requesting authorization for its Swarts and Hunters Cave Well Replacement Project (Project). The Project consists of: (i) abandonment by sale of injection/withdrawal wells in the existing Hunters Cave Storage Field; (ii) construction of two horizontal wells: one in the Hunters Cave Field and one in the Swarts Complex to replace the capacity and capabilities of the storage fields; (iii) acquiring pipelines to serve as well lines; and (iv) selling base gas. The Hunter's Cave Field and Swarts Complex are located in Greene County, Pennsylvania. The Project will allow CONSOL Pennsylvania Coal Company LLC to proceed with planned mining activities while preserving Equitrans' ability to satisfy its contractual obligations to its Mainline storage customers. Equitrans estimates the total

cost of the Project to be \$7,295,312 and proposes to use the applicable Mainline Storage System rates as the maximum recourse rates for service on the Project and to roll-in the costs of the Project into its general system rates, all as more fully set forth in the application which is on file with the Commission and open for public inspection.
