Public Participation

In keeping with procedures, members of the public are welcome to observe the business of the Panel on Emerging Technological Alternatives to Incineration and submit written comments or comment during the scheduled public comment period. The Chairman of the Panel is empowered to conduct the meeting in a fashion that will, in the Chairman's judgment, facilitate the orderly conduct of business. During the meeting, the Panel welcomes public comment. Members of the public will be heard in the order in which they sign up at the beginning of the meeting. The Panel will make every effort to hear the views of all interested parties. You may submit written comments to Mary Louise Wagner, Executive Director, Secretary of Energy Advisory Board, AB-1, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, D.C. 20585.

Minutes

A copy of the minutes and a transcript of the meeting will be made available for public review and copying approximately 30 days following the meeting at the Freedom of Information Public Reading Room, 1E-190 Forrestal Building, 1000 Independence Avenue, SW, Washington, D.C., between 9:00 A.M. and 4:00 P.M., Monday through Friday except Federal holidays. Further information on the Secretary of Energy Advisory Board and its subcommittees may be found at the Board's web site, located at <http://www.hr.doe.gov/seab>.

Issued at Washington, D.C., on November 15, 2000.

Rachel M. Samuel,

Deputy Advisory Committee Management Officer.

[Docket No. EC01-14-000]

California Independent System Operator Corp.; Notice of Filing

November 15, 2000.

Take notice that on November 1, 2000, the California Independent System Operator Corporation (ISO) tendered for filing an application seeking authorization for the transfer of Operational Control from the City of Vernon, California (Vernon), to the ISO of Vernon's interests in certain transmission facilities pursuant to Section 203 of the Federal Power Act.

The ISO states that this filing has been served upon Vernon, the Public Utilities Commission of California, the California Energy Commission, the California Electricity Oversight Board, and all parties with effective Scheduling Coordinator Service Agreements under the ISO Tariff.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before November 22, 2000. Protest will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments and protests may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

[Docket No. RP01-88-000]

Colorado Interstate Gas Company; Notice of Tariff Filing

November 15, 2000.

Take notice that on November 9, 2000, Colorado Interstate Gas Company (CIG), tendered for filing to become part of its FERC Gas Tariff, First Revised Volume No. 1, Seventeenth Revised Sheet No. 10 and Thirtieth Revised Sheet No. 11, to be effective January 1, 2001.

CIG states the purpose of this filing is to permit CIG to collect Gas Research Institute (GRI) charges associated with its transportation pursuant to the Commission's order issued September 19, 2000 in Docket No. RP00-313-000.

CIG further states that copies of this filing have been served on CIG's jurisdictional customers and public bodies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
