

Chair and designated by the Secretary of Defense, who shall serve without vote as enlisted military adviser to the Chair.

Each member, based upon his or her individual professional experience, provides his or her best judgment on the matters before the Board, and he or she does so in a manner that is free from conflict of interest. Board members who are not full-time or permanent part-time Federal officers or employees, will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee (SGE) members. Board members who are full-time or permanent part-time Federal officers or employees will serve as regular government employee (RGE) members pursuant to 41 CFR 102–3.130(a). Members of the Board shall serve a term of service of one-to-four years, and their appointments must be renewed by the Secretary of Defense on an annual basis. No member may serve more than two consecutive terms of service without Secretary of Defense or Deputy Secretary of Defense approval.

Board members are not compensated for service on the Board, but each member is reimbursed for travel and per diem as it pertains to official business of the Board.

DoD, when necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the USD(P&R), as the Board's Sponsor.

Such subcommittees will not work independently of the Board and will report all of their recommendations and advice solely to the Board for full and open deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Board. No subcommittee or any of its members can update or report, verbally or in writing, on behalf of the Board, directly to the DoD or any Federal officers or employees.

Each member, based upon his or her individual professional experience, provides his or her best judgment on the matters before the Board, and he or she does so in a manner that is free from conflict of interest. All subcommittee members will be appointed by the Secretary of Defense or the Deputy Secretary of Defense to a term of service of one-to-four years, with annual renewals, even if the individual in question is already a member of the

Board. Subcommittee members will not serve more than two consecutive terms of service, unless authorized by the Secretary of Defense or the Deputy Secretary of Defense. Subcommittee members who are not full-time or permanent part-time Federal officers or employees will be appointed as an expert or consultant pursuant to 5 U.S.C. 3109, to serve as a SGE member. Subcommittee members who are full-time or permanent part-time Federal officers or employees will be appointed pursuant to 41 CFR 102–3.130(a), to serve as a RGE member. With the exception of reimbursement of official travel and per diem related to the Board or its subcommittees, subcommittee members will serve without compensation.

All subcommittees operate under the provisions of FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

Currently, DoD has approved three permanent subcommittees to the Board. The subcommittees will have no more than 15 members and will normally meet once per quarter. A subcommittee Chairperson will be appointed by the Secretary of Defense.

The three permanent subcommittees and their missions are:

a. Subcommittee on Enhancing DoD's Role in the Homeland is focused on improving the capability and capacity of the reserve component to address the increasing threats to the homeland.

b. Subcommittee on Ensuring a Ready, Capable, Available, and Sustainable Operational Reserve is focused on retaining the operational capability and experience within the reserve component to meet future threats.

c. Subcommittee on Supporting and Sustaining Reserve Component Personnel assess whether the current Service member, families, and employers programs and policies are meeting the needs of an operational reserve.

The Board's Designated Federal Officer (DFO) must be a full-time or permanent part-time DoD officer or employee, appointed in accordance with established DoD policies and procedures. The Board's DFO is required to attend all meetings of the Board and its subcommittees for the entire duration of each and every meeting. However, in the absence of the Board's DFO, a properly approved Alternate DFO, duly appointed to the Board according to established DoD policies and procedures, must attend the entire duration of all meetings of the Board and its subcommittees.

The DFO, or the Alternate DFO, calls all meetings of the Board and its subcommittees; prepares and approves all meeting agendas; and adjourns any meeting when the DFO, or the Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures.

Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to the Board membership about the Board's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Board.

All written statements shall be submitted to the DFO for the Board, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Board's DFO can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>.

The DFO, pursuant to 41 CFR 102–3.150, will announce planned meetings of the Board. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Dated: April 14, 2015.

Notice of Public Meeting on the Draft Environmental Impact Statement for Multiple Projects in Support of Marine Barracks Washington, DC

AGENCY: Department of the Navy, Department of Defense.

ACTION: Notice.

SUMMARY: Pursuant to Section (102)(2)(c) of the National Environmental Policy Act of 1969 (NEPA) (42 United States Code [U.S.C.] Sections 4321–4370h); the Council on Environmental Quality (CEQ) regulations for implementing the procedural provisions of NEPA (Title 40 Code of Federal Regulations (C.F.R.) Parts 1500–1508); Department of the Navy (DoN) Procedures for Implementing NEPA (32 CFR part 775); and Marine Corps NEPA directives (Marine Corps Order P5090.2A), the United States Marine Corps (Marine Corps) has prepared and filed with the U.S. Environmental Protection Agency (EPA) a Draft Environmental Impact Statement (EIS) that evaluates the potential environmental consequences that may result from implementation of repair, renovation, and construction projects at Marine Barracks Washington (MBW), District of Columbia (DC) anticipated to occur within an approximately 5-year planning horizon from the publication of the Record of Decision anticipated in 2016). The principal project analyzed in this Draft EIS is the replacement of a Bachelor Enlisted Quarters (BEQ) Complex (including supporting facilities and parking) currently housed in Building 20 at MBW. Depending on the alternative selected, the BEQ Complex replacement project may include land acquisition in DC. The Draft EIS also evaluates renovation and improvement projects to Building 7 at the Main Post; improvements to the MBW Annex gate at 7th and K Streets; and improvements to building facades, fencing, infrastructure, pedestrian amenities, and landscaping throughout the installation. The Draft EIS includes a programmatic evaluation of several additional projects anticipated to occur beyond the 5-year planning horizon for which information sufficient to conduct detailed NEPA analysis is not yet available. Principal among these projects is the potential reuse of Building 20 or the Building 20 site once the BEQ Complex has been relocated. Other longer-term projects include renovation of Building 9 to accommodate the consolidation of various administrative functions, as well as some additional landscaping and maintenance projects. Once these actions become sufficiently ripe for detailed analysis, additional NEPA analysis will be completed. A Notice of Intent to prepare this EIS was published in the **Federal Register** on September 6, 2013 (Vol. 78, No. 173, p. 54873).

With the filing of the Draft EIS, the DoN is initiating a 45-day public comment period and has scheduled a
