BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2020-OS-0001]

Privacy Act of 1974; System of Records

AGENCY: Office of the Under Secretary of Defense (Comptroller) (OUSD(C)), Department of Defense (DoD).

ACTION: Notice of a modified System of Records.

SUMMARY: The OUSD(C) is modifying an existing System of Records titled, "Forms and Account Management Service (FAMS)," DCFO 01. FAMS will be the sole, web-based platform for the appointment and termination of Department Accountable Officials, appointment and termination of Key Signatories of financial documentation, and access management to a portfolio of information systems. During Financial Improvement and Audit Readiness (FIAR) audits of Department of Defense (DoD) Information Technology (IT) processes, numerous notices of findings and recommendations were issued related to vulnerabilities in managing Defense systems account access and appointment of accountable official positions. Findings identified gaps in properly handling and managing accounts for access and authority to act. Improper account management presents information security risks that could result in unauthorized access. Historically, many of these functions were performed in a decentralized manner and conducted manually without effective checks and balances on accuracy. Introduction of the new web-based platform will reduce and eliminate the use of paper forms as it will automate the request and approval processes and enable periodic validation and reconciliation of account records against actual account permissions.

DATES: This notice is effective upon publication; however, comments on the Routine Uses will be accepted on or before February 13, 2020. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- **Federal Rulemaking Portal:** <https://www.regulations.gov>.

Follow the instructions for submitting comments.

- **Mail:** Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Ms. Cynthia B. Stanley, Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700, or by phone at (703) 571-0070.

SUPPLEMENTARY INFORMATION: Office of Management and Budget (OMB) Circular No. A-123 defines management's responsibility for internal control in Federal agencies. A re-examination of the existing internal control requirements for Federal agencies was initiated in light of the new internal control requirements for publicly-traded companies contained in the Sarbanes-Oxley Act of 2002. Circular A-123 and the statute it implements, the Federal Managers' Financial Integrity Act of 1982, are at the center of the existing Federal requirements to improve internal control.

This circular reflects policy recommendations developed by a joint committee of representatives from the Chief Financial Officer Council (CFOC) and the President's Council on Integrity and Efficiency. The policy changes in this circular are intended to strengthen the requirements for conducting management's assessment of internal control over financial reporting. OUSD(C) is responsible for developing and maintaining effective internal controls for the DoD to provide assurance significant weaknesses in the design or operation of internal control, such as unauthorized access to Defense

business systems, which could adversely affect the Department's ability to meet its objectives, are prevented or detected in a timely manner. FAMS enables the DoD to track and manage the appointment of qualified personnel (Departmental Accountable Officials and Financial Signatories) to key positions and control Defense business system access to appropriately cleared and authenticated employees, thereby meeting the requirements of OMB A-123.

The OSD notices for Systems of Records subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended, have been published in the **Federal Register** and are available from the address provided in the **FOR FURTHER INFORMATION CONTACT** paragraph or are available via the Defense Privacy, Civil Liberties, and Transparency Division website at <https://dpcl.dod.mil>.

The proposed systems reports, as required by the Privacy Act, as amended, were submitted on November 26, 2019 to the House Committee on Oversight and Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the OMB pursuant to Section 6 of OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," revised December 23, 2016 (December 23, 2016, 81 FR 94424).

Dated: January 8, 2020.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
