

These limits do not apply to goods entered under the Outward Processing Program, as defined in the notice and letter to the Commissioner of Customs, published in the **Federal Register** on December 14, 1999 (*see* 64 FR 69746).

Any shipment for entry under the Outward Processing Program which is not accompanied by valid certification in accordance with the provisions established in the notice and letter to the Commissioner of Customs, published in the **Federal Register** on December 14, 1999 (*see* 64 FR 69743), shall be denied entry. However, the Government of Macedonia may authorize the entry and charges to the appropriate specific limits by the issuance of a valid visa. *Also see* 63 FR 17156, published on April 8, 1998.

In the letter published below, the Chairman of CITA directs the Commissioner, Bureau of Customs and Border Protection to establish the 2004 limits.

These limits are subject to adjustment pursuant to the provisions of the ATC and administrative arrangements notified to the Textiles Monitoring Body. However, as the ATC and all restrictions thereunder will terminate on January 1, 2005, no adjustment for carryforward (borrowing from next year's limits for use in the current year) will be available.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (*see* **Federal Register** notice 68 FR 1599, published on January 13, 2004). Information regarding the 2004 CORRELATION will be published in the **Federal Register** at a later date.

In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits do not apply to goods entered under the Outward Processing Program, as defined in the letter to the Commissioner of Customs, dated December 8, 1999 (*see* 64 FR 69746).
