Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, SAMHSA will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-0361.

Comments are invited on: (a) whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including leveraging automated data collection techniques or other forms of information technology.

Proposed Project: Protection and Advocacy for Individuals With Mental Illness (PAIMI)—Revised Annual Program Performance Report (PPR)—Office of Management and Budget (OMB) No. 0930-0169—Revision

SAMHSA is requesting approval from the OMB for changes to the Annual PPR, PPR Instructions, and the ACR for the PAIMI program. The OMB clearance for the current 2022-2023 PPR, PPR Instructions, and ACR (0930-0169) will expire on June 30, 2023.

Additionally, SAMHSA is requesting Terms of Clearance from OMB to use the current 2022-2023 PPR, PPR Instructions, and ACR (0930-0169) for

the fiscal year (FY) 2023-2024 reporting period due on January 1, 2024. The reasons for this special request are the PAIMI grantees (1) have been serving and tracking PAIMI client statistics for six months of the 2023-2024 reporting period and to require them to adjust the counting, tracking, and documenting of the PAIMI work at this time would create an administrative and excessive burden; (2) need adequate time to update their statistical tracking systems that are used to gather the correct information and obtain training and technical assistance to ensure proper data collection is occurring; and (3) asked SAMHSA to consider not implementing the proposed changes and revisions to the current 2022-2023 PPR, PPR Instructions, and ACR (0930-0169) until the 2023-2024 reporting period due on January 1, 2025.

The protection and advocacy (P&A) systems were established under the Developmental Disabilities Act of 1975 [42 U.S.C. 15001 *et seq.*, as amended in 2000]. The amendments of 2000 require the Secretary of Health and Human Services submit a biennial report on disabilities to the President, Congress, and the National Council on Disability. The Secretary's report is prepared by the Administration on Intellectual and Developmental Disabilities (AIDD), within the Administration on Community Living. The PPR, which includes an ACR, contains information from the PAIMI grantees on the types of activities and services they provided on behalf of PAIMI-eligible individuals. SAMHSA aggregates this information into a biennial summary report that AIDD includes in an appendix to the Secretary's biennial report on disabilities.

The PAIMI Act at 42 U.S.C. 10805(7) requires that each P&A system prepare and transmit a report to the Secretary HHS and to the head of its State mental health agency on January 1. This report describes the activities, accomplishments, and expenditures of the system during the most recently completed fiscal year, including a section prepared by the advisory council (the PAIMI Advisory Council or PAC), that describes the activities of the council and its independent assessment of the operations of the system.

The Protection and Advocacy for Individuals with Mental Illness (PAIMI) Act at 42 U.S.C. 10801 *et seq.*, authorized funds to the same protection and advocacy (P&A) systems created under the Developmental Disabilities Assistance and Bill of Rights Act of 1975, known as the DD Act (as amended in 2000, 42 U.S.C. 15001 *et seq.*). The DD Act supports the Protection and
